Officials from the **Department of Higher Education and Workforce Development, Office of the Governor, Northwest Missouri State University, University of Central Missouri, Missouri House of Representatives, and Missouri Senate** each assume the proposal will have no fiscal impact on their respective organizations.

In response to similar legislation, SB 939 (2026), **Missouri State University** assumed that the proposal would have no fiscal impact on their organization.

Oversight notes that the above-mentioned agencies have stated the proposal would not have a direct fiscal impact on their organization. Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact on the fiscal note.

Oversight only reflects the responses that we have received from state agencies and political subdivisions; however, other colleges and community colleges were requested to respond to this proposed legislation but did not. Upon receiving additional responses, Oversight will review to determine if an updated fiscal note should be prepared and seek the necessary approval to publish a new fiscal note. A general listing of political subdivisions included in our database is available upon request.
