## FISCAL ANALYSIS

### ASSUMPTION

Officials from the **Missouri Office of Prosecution Services** did not respond to **Oversight's** request for fiscal impact for this proposal.

#### §568.076 – Offense of Permitting, Encouraging, Aiding, or Causing a Minor to Commit an Offense

Officials from the **Office of the State Public Defender (SPD)** state per the National Public Defense Workload Study, the new charge contemplated by this change to Chapter 568 would take approximately twenty-two hours of SPD work for reasonably effective representation for the A misdemeanor or 14 hours for reasonably effective representation for the C misdemeanor. In either case, if one hundred cases were filed under this section in a fiscal year, representation would result in a need for an additional attorney. Because the number of cases that will be filed under this statute is unknown, the exact additional number of attorneys necessary is unknown. Each case would also result in unknown increased costs in the need for core staff, travel and litigation expenses. However, if the charge was classified as a class D misdemeanor no jail time would be authorized and the cases would not qualify for SPD representation.

**Oversight** assumes this proposal will create a minimal number of new cases and that the SPD can absorb the additional caseload required by this proposal with current staff and resources. Therefore, Oversight will reflect no fiscal impact to the SPD for fiscal note purposes. However, if multiple bills pass which require additional staffing and duties, the SPD may request funding through the appropriation process.

Officials from the **Department of Public Safety - Missouri Highway Patrol** and **Office of the State Courts Administrator** each assume the proposal will have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

**Oversight** notes a violation of the provisions of this proposal results in a misdemeanor charge which carries a fine in addition to any individual county/municipal fees and court costs. The fine revenue for the ticket goes to local school funds and court costs go to various state and local funds. Oversight assumes there will be some (less than \$250,000) amount of fine revenue from violations of the statute. For simplicity, Oversight will not reflect the increased revenue from fines and court costs to various state funds and local political subdivisions.

Below are examples of some of the state and local funds which court costs are distributed to.

	<b>Fee Amount</b>
Basic Civil Legal Services Fund	\$8.00
Clerk Fee	\$15.00 (\$12 State/\$3 County)

DNA Profiling Analysis Fund	\$15.00

<u>FISCAL IMPACT – State Government</u>	FY 2027 (10 Mo.)	FY 2028	FY 2029
	<b><u>\$0</u></b>	<b><u>\$0</u></b>	<b><u>\$0</u></b>

<u>FISCAL IMPACT – Local Government</u>	FY 2027 (10 Mo.)	FY 2028	FY 2029
	<b><u>\$0</u></b>	<b><u>\$0</u></b>	<b><u>\$0</u></b>

FISCAL IMPACT – Small Business

No direct fiscal impact on small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
