FISCAL ANALYSIS

ASSUMPTION

Officials from the **Attorney General’s Office** did not respond to **Oversight’s** request for fiscal impact on this proposal.

§172.975 - Powers of the Curators of the University of Missouri

Officials from the **Department of Commerce and Insurance, Department of Health and Senior Services, Department of Social Services, Office of the Secretary of State, and University of Missouri System** each assume the proposal will have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

In response to similar legislation, SB 1602 (2026), officials from the **Office of the State Courts Administrator** assumed the proposal will have no fiscal impact on their organization. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for this agency.

Oversight notes this proposal authorizes but does not require acquisition or operation of hospitals or other health care entities. Oversight assumes potential fiscal consequences are contingent upon future actions taken by the University of Missouri and cannot be quantified at this time.

Oversight only reflects the responses that we have received from state agencies and political subdivisions; however, other hospitals were requested to respond to this proposed legislation but did not. Upon the receipt of additional responses, Oversight will review to determine if an updated fiscal note should be prepared and seek the necessary approval to publish a new fiscal note. A general listing of political subdivisions included in our database is available upon request.
