FISCAL ANALYSIS

ASSUMPTION

§§173.4000 – 173.4012 – Missouri Community Service Commission

In response to a previous version, officials from the **Department of Higher Education and Workforce Development, Department of Economic Development, Missouri Senate, Office of the State Treasurer, and University of Central Missouri** each assume the proposal will have no fiscal impact on their respective organizations.

Oversight notes that the above-mentioned agencies have stated the proposal would not have a direct fiscal impact on their organization. Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact on the fiscal note.

Oversight notes current law establishes the Missouri Community Service Commission within the Department of Economic Development. This act transfers such Commission to the Department of Higher Education and Workforce Development.

Oversight only reflects the responses that we have received from state agencies and political subdivisions; however, other colleges and universities were requested to respond to this proposed legislation but did not. Upon the receipt of additional responses, Oversight will review to determine if an updated fiscal note should be prepared and seek the necessary approval to publish a new fiscal note. A general listing of political subdivisions included in our database is available upon request.
