Therefore, Oversight will reflect a zero impact in the fiscal note for these respective agencies.

Officials from the **Attorney General’s Office (AGO)** assume any potential litigation costs arising from this proposal can be absorbed with existing resources. The AGO may seek additional appropriations if the proposal results in a significant increase in litigation or investigation costs.

Oversight assumes AGO is provided with core funding to handle a certain amount of activity each year. Oversight assumes AGO could absorb the costs related to this proposal. If multiple bills pass which require additional staffing and duties at substantial costs, AGO could request funding through the appropriation process.
