FISCAL ANALYSIS

ASSUMPTION

§1.141 – Severability of Provisions Within Legislation

Officials from the **Office of the State Courts Administrator (OSCA)** state this proposal may have some impact but there is no way to quantify that amount currently. Any significant changes will be reflected in future budget requests.

Oversight notes OSCA assumes this proposal may have some impact on their organization although it can't be quantified at this time. As OSCA is unable to provide additional information regarding the potential impact, Oversight assumes the proposed legislation will have a \$0 or (Unknown) cost to the General Revenue Fund. For fiscal note purposes, Oversight also assumes the impact will be under \$250,000 annually. If this assumption is incorrect, this would alter the fiscal impact as presented in this fiscal note. If additional information is received, Oversight will review it to determine if an updated fiscal note should be prepared and seek approval to publish a new fiscal note.

Officials from the **Missouri House of Representatives** and **Missouri Senate** each assume the proposal will have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

FISCAL IMPACT – Small Business

No direct fiscal impact on small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

This bill specifies that any provision of legislation that is found to be unconstitutional for any reason will be severed and the remaining provisions will be valid.

The court will presume that the General Assembly would have enacted the valid provisions without the unconstitutional provision or provisions; however, if the court finds by clear and convincing evidence that the General Assembly would not have enacted the valid provisions without the unconstitutional provision, the valid provisions will also be declared unconstitutional.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
