26 **the incapacitated person's health, safety, welfare, or life, the court shall not disqualify**
27 **the prospective guardian unless it is proved that the substandard housing exists and is**
28 **the result of the prospective guardian's willful negligence. The court shall cause the**
29 **department of health and senior services to investigate and file a report with the court**
30 **on its findings before the court makes a determination regarding whom to appoint as**
31 **guardian.**

32 4. **If an incapacitated person currently resides in or will reside in any dwelling**
33 **other than with the prospective guardian and a complaint is filed with the court that**

107 **associated with a notice or complaint filed under this subsection, and the court shall**
108 **grant the motion if the court determines after the hearing that the notice or complaint**
109 **was knowingly and intentionally false, with malice, in bad faith, or with the purpose to**

110 **obstruct or prevent the guardian, guardian ad litem, or conservator from discharging**
111 **his or her duties and exercising his or her authority in his or her guardian, guardian ad**
112 **litem, or conservator capacity.**

113 ~~[6-]~~ 12. An order appointing a guardian or conservator shall not be signed by the

117 of the reports. No reports or national criminal history record check shall be required by the
118 court upon the application of a petitioner for an emergency temporary guardianship or
119 emergency temporary conservatorship. The court may waive the requirements of this

83 together with regard to specified matters; and

84 ~~[(12)]~~ (13) Written consent has been obtained from any person, including a public
85 administrator, who is to be appointed as a co-guardian.

86 3. If the person filing the petition seeks the appointment of an emergency guardian,
87 the petition shall include the same requirements as provided in subsection 1 of this section
88 and shall request the appointment per the requirements provided in subsection 15 of section
89 475.075.

475.061. 1. Any person may file a petition in the probate division of the circuit court
2 of the county of proper venue for the appointment of himself or herself or some other
3 qualified person as conservator of the estate of a minor or disabled person. The petition shall
4 contain the same allegations as are set forth in subdivisions (1), (8), and ~~[(10)]~~ (11) of
5 subsection 2 of section 475.060 with respect to the appointment of a guardian for an
6 incapacitated person and, in addition thereto, an allegation that the respondent is unable by
7 reason of some specific physical or cognitive condition to receive and evaluate information or
8 to communicate decisions to such an extent that the respondent lacks ability to manage his
9 financial resources or that the respondent is under the age of eighteen years.

10 2. A petition for appointment of a conservator or limited conservator of the estate
11 may be combined with a petition for appointment of a guardian or limited guardian of the
12 person. In such a combined petition allegations need not be repeated.

 475.075. 1. Except as otherwise provided in section 475.062, when a petition for the
2 appointment of a guardian ad litem, guardian, or conservator for any potential ward or
3 protectee, who is then referred to as the respondent, is filed under this chapter on grounds
4 other than minority, the court, if satisfied that there is good cause for the exercise of its
5 authority, shall promptly set the petition for hearing.

6 2. The respondent shall be served in person with the following: A copy of the
7 petition; a written notice stating the time and place the proceeding will be heard by the court,
8 the name and address of appointed counsel, and the names and addresses of the witnesses
9 who may be called to testify in support of the petition; and with a copy of the respondent's
10 rights as set forth in subsections 9 and 10 of this section. The notice shall be signed by the
11 judge or clerk of the court and served in person on the respondent a reasonable time before
12 the date set for the hearing. A written notice stating the time and place for the petition to be
13 heard by the court, and the name and address of counsel appointed to represent the respondent
14 shall be served upon the spouse, parents, children who have reached the age of eighteen, any
15 person serving as the respondent's guardian, conservator, limited guardian, or limited
16 conservator, any person proposed to serve as guardian or conservator, any person having
17 power to act in a fiduciary capacity with respect to any of the respondent's financial resources,
18 any person having the respondent's care and custody known to the petitioner, and any co-
19 tenants or co-depositors with the respondent. Each person so listed shall be served in any
20 manner permitted by section 472.100. If no such spouse, parent, or child is known, notice
21 shall be given to at least one of the respondent's closest relatives who have reached eighteen
22 years of age.

23 3. If the public administrator is nominated as guardian or conservator or at any stage
24 of the proceeding is being considered by the court to be nominated as guardian or conservator,
25 the public administrator shall receive a copy of the petition from the petitioner or the court
26 and any accompanying documents, including exhibits and medical opinions, receive written
27 notice indicating the date and time of the proceeding, and have an opportunity to attend and
28 be heard.

29 4. Upon the filing of a petition under the provisions of subsection 1 of this section or
30 for the approval on behalf of the respondent of a transaction pursuant to section 475.092 or
31 for the rendition of emergency medical treatment under the provisions of section 475.123, the
32 court shall immediately appoint an attorney to represent the respondent in the proceeding.
33 The attorney shall visit the respondent at least twenty-four hours prior to the hearing unless
34 the court finds good cause for waiving this requirement. If the attorney finds that the

35 respondent is capable of understanding the matter in question or of contributing to the
36 advancement of the respondent's interest, the attorney shall obtain from the respondent all
37 possible aid. If the attorney finds that the respondent is so impaired that the respondent
38 cannot communicate or participate in the proceedings, the attorney shall consider all
39 circumstances then prevailing and act with care to safeguard and advance the interests of the
40 respondent.

41 5. If the court enters an order appointing an attorney for the respondent, it shall
42 specify that the attorney shall have the right to obtain all medical and financial information of
43 the respondent from medical care providers and financial institutions, and no medical care
44 provider or financial institution shall be liable for damages or otherwise for the release of this
45 information to the attorney appointed for the respondent. The court shall allow a reasonable
46 attorney's fee for the services rendered, to be taxed as costs of the proceeding. Upon entry of
47 appearance by private counsel on behalf of the respondent, the court may permit the court-
48 appointed attorney to withdraw only if after a hearing the court finds cause to permit the
49 withdrawal. The private counsel shall meet the requirements of the court-appointed attorney
50 in representing the respondent as provided in subsection 4 of this section. The respondent's
51 attorney shall not also serve as guardian ad litem or conservator ad litem for the respondent
52 unless and until a judgment granting guardianship, conservatorship, limited guardianship, or
53 limited conservatorship has been entered by the court. If the attorney for the respondent has
54 filed or intends to file an appeal of such judgment, the attorney for the respondent shall not
55 serve as guardian ad litem or conservator ad litem for the respondent until all proceedings in
56 connection with such appeal have been finally resolved. The petitioner shall not nominate an
57 attorney for the respondent.

58 6. The court may direct that the respondent be examined by a physician, licensed
59 psychologist, or other appropriate professional if the other professional has experience or
60 training in the alleged mental, physical, or cognitive impairment. The court-appointed
61 physician, licensed psychologist, or other professional shall, prior to examination, explain to
62 the respondent in simple language, the following:

63 (1) That the purpose of the examination is to produce evidence which may be used to
64 determine whether the respondent is incapacitated, disabled, partially incapacitated, or
65 partially disabled;

66 (2) That respondent has the right to remain silent;

67 (3) That anything respondent says may be used at the court hearing, and in making
68 the determination of incapacity or disability.

69 7. The court-appointed physician, licensed psychologist, or other professional shall
70 submit a report in writing to the court and to counsel for all parties. It shall not be a valid
71 objection to the review of the report by the court or the attorneys for the parties that the court

72 will be responsible for the ultimate determination of incapacity or partial incapacity. If other
73 objections to the report are made by any party, the court may order a hearing for the limited
74 purpose of determining whether the court shall admit the report. The court may allow a
75 reasonable fee for the services rendered by the physician, licensed psychologist, or other
76 professional to be taxed as costs in the proceeding.

77 8. If prima facie proof of partial or complete incapacity or disability, with or without
78 the court-ordered evaluation as provided in subsections 6 and 7 of this section, is made upon
79 motion by any party or the court on its own motion, a physician, licensed psychologist, or
80 other appropriate professional is competent and may be compelled by the court to testify as to
81 information acquired from the respondent, despite otherwise applicable testimonial
82 privileges. Evidence received under this subsection that would otherwise be privileged
83 and confidential may not be used in any other civil action or criminal proceeding without the
84 consent of the holder of the privilege. Any resulting report shall be shared with the
85 respondent and counsel for all parties but shall not be used in any other civil action or
86 criminal proceeding without the consent of the holder of the privilege.

87 9. The petitioner has the burden of proving incapacity, partial incapacity, disability, or
88 partial disability by clear and convincing evidence.

89 10. The respondent shall have the following rights in addition to those elsewhere
90 specified and shall be advised of these rights by the attorney for the respondent:

91 (1) The right to be represented by an attorney;

92 (2) The right to have a jury trial;

93 (3) The right to present evidence in the respondent's behalf;

94 (4) The right to cross-examine witnesses who testify against the respondent;

95 (5) The right to remain silent;

96 (6) The right to have the hearing opened or closed to the public as the respondent
97 elects;

98 (7) The right to a hearing conducted in accordance with the rules of evidence in civil
99 proceedings, except as modified by this chapter;

100 (8) The right to be present at the hearing;

101 (9) The right to appeal the court's decision.

102 11. If the court finds that the respondent possesses capacity to manage the
103 respondent's essential requirements for food, clothing, shelter, safety, and other care or that
104 the respondent possesses the ability to manage the respondent's financial resources, the court
105 shall deny the petition. On the other hand, if the court finds that the capacity of the
106 respondent to receive and evaluate information or to communicate decisions is impaired to
107 such an extent as to render the respondent incapable of managing some or all of the
108 respondent's essential requirements for food, clothing, shelter, safety or other care so that

serious physical injury, illness, or disease is likely to occur, or that the capacity of the respondent to receive and evaluate information or to communicate decisions is impaired to such an extent so as to render the respondent unable to manage some or all of the respondent's financial resources, the court shall appoint a guardian or limited guardian, a conservator or limited conservator, or both in combination.

12. If the court finds the respondent to be in some degree incapacitated or disabled, or both, the court, in determining the degree of supervision necessary, shall apply the least restrictive alternative principle as defined in this chapter and shall not restrict the respondent's personal liberty or the respondent's freedom to manage the respondent's financial resources to any greater extent than is necessary to protect the respondent's person and the respondent's financial resources. The limitations imposed upon the authority of the guardian or conservator as set forth in the findings of the court shall be stated in the letters of the guardian or conservator and shall be set forth in the notice of first publication of letters of conservatorship granted.

13. Before appointing a guardian or conservator, the court shall consider whether the respondent's needs may be met without the necessity of the appointment of a guardian or conservator, or both, by a less restrictive alternative including, but not limited to, the following:

(1) Evidence that the respondent has appointed an attorney-in-fact in a durable power of attorney executed by the respondent before the petition was filed;

(2) The management of the beneficial interests of the respondent in a trust by a trustee;

(3) Evidence that a representative payee has been appointed to manage the respondent's public benefits;

(4) Supported decision-making agreements or the provision of protective or supportive services or arrangements provided by individuals or public or private services or agencies **unless prohibited by any state or federal law, rule, or regulation or a financial or other conflict of interest would exist;**

(5) The use of appropriate services or assistive technology;

(6) The appointment of a temporary emergency guardian ad litem or conservator ad litem under subsection 15 of this section; or

(7) The appointment of a limited guardian or conservator.

14. **Excluding a court order, judgment, or adjudication made before August 28, 2026,** the court shall make and recite in its order detailed findings of fact stating:

(1) The extent of the respondent's physical, mental, and cognitive incapacity to manage essential requirements for food, clothing, shelter, safety, or other care;

145 (2) The extent of the respondent's physical, mental, and cognitive incapacity to
146 manage the respondent's financial resources;

147 (3) Whether the respondent requires placement in a supervised living situation and, if
148 so, the degree of supervision needed;

149 (4) Whether the respondent's financial resources require supervision and, if so, the
150 nature and extent of supervision needed;

151 (5) Whether the respondent retains the right to vote;

152 (6) Whether the respondent is permitted to drive a motor vehicle if the respondent can
153 pass the required driving test; and

154 (7) Whether the respondent retains the right to marry.

155 15. If it is alleged in a petition that an alleged incapacitated or disabled respondent
156 has no guardian or conservator and an emergency exists that presents a substantial risk that
157 serious physical harm will occur to the respondent's person or irreparable damage will occur
158 to the respondent's property because of the respondent's failure or inability to provide for the
159 respondent's essential human needs or to protect the respondent's property, the court may,
160 with notice to such person's attorney, as provided in subsection 4 of this section, and service
161 of notice upon such person as provided in subsection 2 of this section, and, with or without
162 notice to other persons interested in the proceeding, after hearing, appoint an emergency
163 guardian ad litem or conservator ad litem for a specified period not to exceed ninety days and
164 for specified purposes. Except for good cause shown, the court shall hold a hearing on
165 petitions filed under this section within five business days of the filing of the petition. Orders
166 appointing the guardian or conservator ad litem may be modified upon motion and hearing.
167 Only after a hearing and a showing of continuing emergency need, the court may order the
168 extension of the appointment of an emergency guardian ad litem or conservator ad litem from
169 time to time, not to exceed ninety days each. A guardian ad litem or conservator ad litem may
170 be removed at any time and shall make any report the court requires. Proceedings under this
171 subsection shall not be employed as alternative to proceedings for the involuntary detention
172 and treatment of a mentally ill person under the provisions of chapter 632. If no petition for
173 guardianship, conservatorship, limited guardianship, or limited conservatorship has been filed
174 within the first ninety days following the granting of emergency authority under this section,
175 the court may terminate the authority granted under the emergency letters upon motion of the
176 attorney for the respondent and a finding that doing so would not be manifestly contrary to
177 the respondent's interest.

 475.082. 1. At least annually, the court shall inquire into the status of every adult
2 ward and protectee under its jurisdiction for the purpose of determining whether the
3 incapacity or disability may have ceased or changed and to insure that the guardian or

4 conservator is discharging the guardian's or conservator's responsibilities and duties in
5 accordance with this chapter.

6 2. In order to implement the court review prescribed by this section, the guardian or
7 limited guardian shall file annually on the anniversary date of the guardian's or limited
8 guardian's letters a report concerning the personal status of the adult ward and plans by the
9 guardian or limited guardian for future care. **Taking into consideration the ward's**
10 **physical, mental, and cognitive condition, the guardian, limited guardian, guardian ad**
11 **litem, or limited guardian ad litem shall also attach to the guardian's, limited**
12 **guardian's, guardian ad litem's, or limited guardian ad litem's annual guardianship**
13 **report a statement or affidavit of the ward, which is signed by the ward, providing an**
14 **annual review of the guardian's, limited guardian's, guardian ad litem's, or limited**
15 **guardian ad litem's performance; whether the ward requests the court to change or**
16 **terminate the guardianship; whether the ward feels safe in his or her housing, work, and**
17 **educational environment; how the ward is being treated by his or her guardian, limited**
18 **guardian, guardian ad litem, or limited guardian ad litem and any caregiver or other**
19 **similarly situated person; and any specific concerns the ward wants the court to know**
20 **and consider. The court shall take such statement or affidavit into consideration when**
21 **reviewing the guardian's, limited guardian's, guardian ad litem's, or limited guardian**
22 **ad litem's annual status report and when determining whether to continue, to reduce, or**
23 **to terminate the guardianship.** Such report may be combined with the settlement of
24 accounts if the guardian is also conservator of the estate of the ward. The report shall be in
25 the form prescribed by the court and shall include the following information:

26 (1) The present address of the ward;

27 (2) The present address of the guardian;

28 (3) Unless the report specifies that the ward is living with the guardian, the number of
29 times the guardian has had contact with the ward, and the nature of such contacts including
30 the date the ward was last seen by the guardian;

31 (4) A summary of the guardian's visits with the ward and activities on the ward's
32 behalf and the extent to which the ward has participated in decisionmaking;

33 (5) If the ward is institutionalized, whether the guardian has received a copy of the
34 treatment or habilitation plan and, if so, the date of such plan, and whether the guardian
35 agrees with its provision;

36 (6) The date the ward was last seen by a physician or other professional and the
37 purpose;

38 (7) The current mental and physical condition of the ward and any major changes in
39 the ward's condition since the last report;

40 (8) The opinion of the guardian as to the need for the continuation of the guardianship
41 and whether it is necessary to increase or decrease the powers of the guardian; ~~and~~

42 (9) A summarized plan for the coming year. If an individual support plan, treatment
43 plan, or plan of care is in place, such plan may be submitted in lieu of the requirements of this
44 subdivision;

45 **(10) The guardianship classification; and**

46 **(11) Whether the ward is in compliance with any court order requiring or**
47 **prohibiting a specified act or action, term or condition of probation or parole, work**
48 **release program, sex offender registry, or housing requirement. If the ward is**
49 **noncompliant with any provision under this subdivision, the report shall state the**
50 **reasons for not being compliant and steps the guardian, limited guardian, guardian ad**
51 **litem, or limited guardian ad litem is taking to bring the ward into compliance.**

52 **3. The court shall seal any information that discusses, reveals, or provides**
53 **information regarding the ward's medical, psychological, psychiatric, mental health, or**
54 **other health care treatment, habilitation, support, or supervision plan provided by the**
55 **guardian, limited guardian, guardian ad litem, or limited guardian ad litem on a court**
56 **form or as an attachment. Any person, official, or entity wanting such information shall**
57 **file a petition with the probate court requesting the information and providing clear and**
58 **convincing evidence why the information is necessary or vital to a government**
59 **operation, need, right, or interest; that the person, official, or entity requires such**
60 **information for his or her petition to take over guardianship or conservatorship; or in**
61 **furtherance of any statutory duty, right, or authority. The person, official, or entity**
62 **shall provide a copy of the petition to the existing guardian or guardian ad litem, or**
63 **both, and ward and the notice of hearing on the petition. The court may, at its**
64 **discretion, conduct the hearing in person, by electronic means, or by telephone, but the**
65 **court shall take into consideration the financial means, undue harms the guardian or**
66 **guardian ad litem, or both, or ward would suffer, and any other lack of capabilities of**
67 **the guardian or guardian ad litem, or both, and ward in making its decision on the type**
68 **of hearing to conduct on the petition.**

69 **4. The court may as part of its review, in its discretion, order the performance of a**
70 **mental status evaluation of the ward and may require any hospital, physician, or custodial**
71 **facility to submit copies of their records relating to the treatment, habilitation, or care of the**
72 **ward. The court, as part of its review and in its discretion, may also contact the department of**
73 **health and senior services or other appropriate agencies to investigate the conduct of the**
74 **guardian and report its findings to the court.**

75 **5. All records, reports, and evaluations provided to the court in the mental status**
76 **review shall be sealed by the court, and any person wanting any report, record, or**

77 evaluation of the mental status review that was conducted shall comply with subsection
78 3 of this section. The guardian or guardian ad litem, or both, and ward shall not be
79 required to provide the requesting person, official, or entity a copy of any record,
80 report, or evaluation except by court order.

81 6. The court shall not act upon any notice or complaint filed with the court
82 directly or indirectly requesting the court to order a mental status evaluation of the
83 ward without the notice or complaint being signed and notarized under oath by the
84 filing person, official, or entity and upon the court receiving the signed and notarized
85 notice or complaint. Upon the court receiving the signed notarized notice or complaint,
86 the court shall provide the guardian or guardian ad litem, or both, a copy of the notice
87 or complaint and provide the guardian or guardian ad litem, or both, an opportunity to
88 be heard before the court decides whether to order the mental status evaluation. If it
89 becomes apparent to the court that the notice or complaint:

90 (1) Was filed with malice;

91 (2) Was filed to harass either the guardian or guardian ad litem, or both, or the
92 ward;

93 (3) Was filed to inflict financial damages on the guardian or guardian ad litem,
94 or both, or the ward;

95 (4) Contained an allegation that was made in bad faith;

96 (5) Contained a knowingly false allegation; or

97 (6) Was filed to obstruct or prevent the guardian or guardian ad litem, or both,
98 from discharging any duty or exercising any authority,

99

100 the court may order the filing person, official, or entity to pay the guardian or guardian
101 ad litem, or both, or the ward all actual financial damages sustained by the guardian or
102 guardian ad litem, or both, or ward. If egregious conduct exists, the court may order
103 the person, official, or entity filing the notice or complaint to pay the guardian or ward
104 reasonable punitive damages.

105 [4.] 7. If there is an indication that the incapacity or disability of the ward or protectee
106 has ceased, the court shall appoint an attorney to file on behalf of the ward or protectee a
107 petition for termination of the guardianship or conservatorship or for restoration.

108 [5.] 8. If it appears to the court as part of its review or at any time upon motion of any
109 interested person, including the ward or protectee or some person on behalf of the ward or
110 protectee, that the guardian or conservator is not discharging the guardian's or conservator's
111 responsibilities and duties as required by this chapter or has not acted in the best interests of
112 the ward or protectee, the court may order that a hearing be held and direct that the guardian
113 or conservator appear before the court. In the event that such a hearing is ordered and the

114 ward or protectee is not represented by an attorney, the court shall appoint an attorney to
115 represent the ward or protectee in the proceedings. At the conclusion of the hearing, if the
116 court finds that the guardian or conservator is not discharging his or her duties and
117 responsibilities as required by this code or is not acting in the best interests of the ward or
118 protectee, the court shall enter such orders as it deems appropriate under the circumstances.
119 Such orders may include the removal of the guardian or conservator and the appointment of a
120 successor guardian or conservator or termination of the guardianship or conservatorship on
121 finding that the ward has recovered capacity or the protectee is no longer disabled. The court,
122 in framing its orders and findings, shall give due consideration to the exercise by the guardian
123 or conservator of any discretion vested in the guardian or conservator by law.

475.115. 1. When a guardian or conservator dies, is removed by order of the court, or
2 resigns and his or her resignation is accepted by the court, the court shall have the same
3 authority as it has in like cases over personal representatives and their sureties and may
4 appoint another guardian or conservator in the same manner and subject to the same
5 requirements as are herein provided for an original appointment of a guardian or conservator.

6 **2. When determining whether to appoint a successor guardian or conservator, or**
7 **both, the court shall consider as evidence that the incapacitated or disabled person was**
8 **already appointed a guardian or conservator, or both. A person petitioning the court to**
9 **be a successor guardian or conservator, or both, shall not be required to reestablish**
10 **incapacity or a disability, or both, unless an oral or written objection is made by the**
11 **person who is being appointed a successor guardian or conservator, or both, because of**
12 **a substantial change in his or her capacity or disability indicating that the person no**
13 **longer requires a guardian or conservator, or both. The oral or written objection**
14 **providing that the person no longer requires a guardian or conservator, or both, because**
15 **of a substantial change in capacity or disability shall be confirmed by a physician, who**
16 **shall be subject to direct and cross examination.**

17 **3. If the court receives from one or more interested parties a simple request for**
18 **temporary appointment of guardianship or conservatorship, or both, to ensure the ward**
19 **has a guardian or conservator, or both, until the court can hear and rule on a formal**
20 **petition, the court shall review the request for temporary guardianship or**
21 **conservatorship, or both, and, upon the court selecting the best-suited appointment**
22 **based on the request and any exhibits provided, the court shall immediately appoint a**
23 **temporary guardian or conservator, or both, until such time as the court gives for the**
24 **parties to file a formal petition with the court. The appointment of a temporary**
25 **guardian or conservator, or both, shall have the same force and effect as any other**
26 **appointment for guardianship or conservator, or both.**

27 4. A public administrator may request transfer of any case to the jurisdiction of
28 another county by filing a petition for transfer. If the public administrator of the receiving
29 county consents to the transfer, the court shall transfer the case. The court with jurisdiction
30 over the receiving county shall, without the necessity of any hearing as required by section
31 475.075, appoint the public administrator of the receiving county as successor guardian and/
32 or successor conservator and issue letters therein. In the case of a conservatorship, the final
33 settlement of the public administrator's conservatorship shall be filed within thirty days of the
34 court's transfer of the case, in the court with jurisdiction over the original conservatorship, and
35 forwarded to the receiving county upon audit and approval.

 475.120. 1. The guardian of the person of a minor shall be entitled to the custody and
2 control of the ward and shall provide for the ward's education, support, and maintenance.

3 2. A guardian or limited guardian of an incapacitated person shall act in the best
4 interest of the ward. A limited guardian of an incapacitated person shall have the powers and
5 duties enumerated by the court in the adjudication order or any later modifying order.

6 3. ~~[Except as otherwise limited by the court, a guardian shall make decisions~~
7 ~~regarding the adult ward's support, care, education, health, and welfare. A guardian shall~~
8 ~~exercise authority only as necessitated by the adult ward's limitations and, to the extent~~
9 ~~possible, shall encourage the adult ward to participate in decisions, act on the adult ward's~~
10 ~~own behalf, and develop or regain the capacity to manage the adult ward's personal affairs.]~~
11 The general powers and duties of a guardian of an incapacitated person shall **be to take**
12 **charge of the ward and provide for the ward's care, treatment, habilitation, education,**
13 **support, and maintenance. However, the guardian or guardian ad litem, or both, shall**
14 **not be financially liable for the ward's care, treatment, habilitation, education, support,**
15 **and maintenance. The powers and duties of guardians and guardians ad litem,**
16 **consistent with the ward's guardianship classification, shall include, but shall not be**
17 limited to, the following:

18 (1) Assure that the ward resides in the best and least restrictive setting reasonably
19 available;

20 (2) Assure that the ward receives medical care and other services that are needed;

21 (3) Promote and protect the care, comfort, safety, health, and welfare of the ward;

22 (4) Provide required consents on behalf of the ward;

23 (5) **Exercise authority and discharge duties necessary based on the ward's state**
24 **of incapacity or disability and the ward's guardianship classification;**

25 (6) **To the extent possible and practicable considering the ward's physical,**
26 **mental, and cognitive conditions and abilities, assist the ward in obtaining the lowest**
27 **guardianship classification level for the ward and encourage the ward to participate in**
28 **decision-making processes;**

29 (7) To the extent possible and practicable considering the ward's physical,
30 mental, and cognitive conditions and abilities as the guardian or guardian ad litem, or
31 both, reasonably believes such conditions to be, assist the ward to act on the ward's own
32 behalf and develop or regain the capacity to manage the ward's personal affairs;

33 (8) Ensure the ward receives the proper level of structure, supervision, and
34 support needed and in accordance with the guardianship classification;

35 (9) Assist the ward, as the guardian or guardian ad litem, or both, deems
36 appropriate for the ward, to comply with any and all terms and conditions of any court
37 order; any supervised or unsupervised probation, parole, or work release program; any

44 use the guardian's own financial resources for the support, **care, treatment, housing,**

48 pursuant to section 475.370.

49 5. No guardian of the person shall have authority to seek admission of the guardian's

66 incapacitated person.

67 ~~[8:]~~ **9.** Any social service agency serving as guardian may not provide other services
68 to the ward.

69 ~~[9:]~~ **10.** In the absence of any written direction from the ward to the contrary, a
70 guardian may execute a preneed contract for the ward's funeral services, including cremation,
71 or an irrevocable life insurance policy to pay for the ward's funeral services, including
72 cremation, and authorize the payment of such services from the ward's resources. Nothing in
73 this section shall interfere with the rights of ~~[next-of-kin]~~ **next of kin** to direct the disposition
74 of the body of the ward upon death under section 194.119. If a preneed arrangement such as

88 counsel, as the guardian chooses citing this subsection in the petition or motion filed
89 with the court unless otherwise determined by a ruling of the Missouri supreme court.

90 **12.** To ensure a statutory pathway exists for a guardian to have equal access to
91 the courts and equal protection of law and due process if the guardian has suffered
92 economic or noneconomic damages by a person other than the ward or is obstructed or

94 the guardian shall have a cause of action independent of the ward to enforce his or her
95 duties and authority by court order and to remedy any economic or noneconomic

(3) Causes the guardian to suffer damages,

upon a motion filed by the guardian or guardian ad litem, or both, the court shall order the party or parties filing the grievance, complaint, notice, petition, or motion to pay the guardian or guardian ad litem, or both, actual damages. If the court finds that the grievance, complaint, notice, petition, or motion filed is egregious, the court shall also grant the guardian or guardian ad litem, or both, a reasonable monetary punitive award and enter any and all other orders as the court deems just and proper.

46 **resided in while able to legally drive.**

47 3. The appointment of a guardian shall revoke the powers of an agent who was
48 previously appointed by the ward to act as an agent under a durable power of attorney for
