80 completed application to the director whether the applicant is interested in making the one
81 dollar donation prescribed in this subsection.

82 8. An applicant for registration may make a donation of an amount not less than one
83 dollar to promote an organ donor program. The director of revenue shall collect the donations

2 the duration of the veteran's disability. Each such applicant issued license plates under these
3 provisions shall annually furnish ~~[proof of vehicle inspection and]~~ proof of disability to the
4 director, except that an applicant whose service connected disability qualifying him for
5 special license plates consists in whole or in part of loss of an eye or a limb or an applicant
6 with a one hundred percent permanent disability, as established by a physician's signed
7 statement to that effect, need only furnish proof of disability to the director when initially

86 rear turning indicator lamps, rear hazard lamps, and rear reflectors.

301.147. 1. Notwithstanding the provisions of section 301.020 to the contrary,
2 beginning July 1, 2000, the director of revenue may provide owners of motor vehicles, other
3 than commercial motor vehicles licensed in excess of fifty-four thousand pounds gross
4 weight, the option of biennially registering motor vehicles. Any vehicle manufactured as an
5 even-numbered model year vehicle shall be renewed each even-numbered calendar year and
6 any such vehicle manufactured as an odd-numbered model year vehicle shall be renewed each
7 odd-numbered calendar year, subject to the following requirements:

8 (1) The fee collected at the time of biennial registration shall include the annual
9 registration fee plus a pro rata amount for the additional twelve months of the biennial
10 registration;

11 (2) Presentation of all documentation otherwise required by law for vehicle
12 registration including, but not limited to, a personal property tax receipt or certified statement
13 for the preceding year that no such taxes were due as set forth in section 301.025, proof of [a
14 ~~motor vehicle safety inspection and~~] any applicable emission inspection conducted within
15 sixty days prior to the date of application and proof of insurance as required by section
16 303.026.

17 2. The director of revenue may prescribe rules and regulations for the effective
18 administration of this section. The director is authorized to adopt those rules that are
19 reasonable and necessary to accomplish the limited duties specifically delegated within this
20 section. Any rule or portion of a rule, as that term is defined in section 536.010, that is
21 promulgated pursuant to the authority delegated in this section shall become effective only if
22 it has been promulgated pursuant to the provisions of chapter 536. This section and chapter
23 536 are nonseverable and if any of the powers vested with the general assembly pursuant to
24 chapter 536 to review, to delay the effective date or to disapprove and annul a rule are
25 subsequently held unconstitutional, then the grant of rulemaking authority and any rule
26 proposed or adopted after July 1, 2000, shall be invalid and void.

27 3. The director of revenue shall have the authority to stagger the registration period of
28 motor vehicles other than commercial motor vehicles licensed in excess of twelve thousand
29 pounds gross weight. Once the owner of a motor vehicle chooses the option of biennial
30 registration, such registration must be maintained for the full twenty-four month period.

301.190. 1. No certificate of registration of any motor vehicle or trailer, or number
2 plate therefor, shall be issued by the director of revenue unless the applicant therefor shall
3 make application for and be granted a certificate of ownership of such motor vehicle or trailer,
4 or shall present satisfactory evidence that such certificate has been previously issued to the
5 applicant for such motor vehicle or trailer. Application shall be made within thirty days after

6 the applicant acquires the motor vehicle or trailer, unless the motor vehicle was acquired
7 under section 301.213 or subsection 5 of section 301.210 in which case the applicant shall
8 make application within thirty days after receiving title from the dealer, upon a blank form
9 furnished by the director of revenue and shall contain the applicant's identification number, a
10 full description of the motor vehicle or trailer, the vehicle identification number, and the
11 mileage registered on the odometer at the time of transfer of ownership, as required by section
12 407.536, together with a statement of the applicant's source of title and of any liens or
13 encumbrances on the motor vehicle or trailer, provided that for good cause shown the director
14 of revenue may extend the period of time for making such application. When an owner wants
15 to add or delete a name or names on an application for certificate of ownership of a motor
16 vehicle or trailer that would cause it to be inconsistent with the name or names listed on the
17 notice of lien, the owner shall provide the director with documentation evidencing the
18 lienholder's authorization to add or delete a name or names on an application for certificate of
19 ownership.

20 2. The director of revenue shall use reasonable diligence in ascertaining whether the
21 facts stated in such application are true and shall, to the extent possible without substantially
22 delaying processing of the application, review any odometer information pertaining to such
23 motor vehicle that is accessible to the director of revenue. If satisfied that the applicant is the
24 lawful owner of such motor vehicle or trailer, or otherwise entitled to have the same
25 registered in his name, the director shall thereupon issue an appropriate certificate over his
26 signature and sealed with the seal of his office, procured and used for such purpose. The
27 certificate shall contain on its face a complete description, vehicle identification number, and
28 other evidence of identification of the motor vehicle or trailer, as the director of revenue may
29 deem necessary, together with the odometer information required to be put on the face of the
30 certificate pursuant to section 407.536, a statement of any liens or encumbrances which the
31 application may show to be thereon, and, if ownership of the vehicle has been transferred, the
32 name of the state issuing the transferor's title and whether the transferor's odometer mileage
33 statement executed pursuant to section 407.536 indicated that the true mileage is materially
34 different from the number of miles shown on the odometer, or is unknown.

35 3. The director of revenue shall appropriately designate on the current and all
36 subsequent issues of the certificate the words "Reconstructed Motor Vehicle", "Motor Change
37 Vehicle", "Specially Constructed Motor Vehicle", or "Non-USA-Std Motor Vehicle", as
38 defined in section 301.010. Effective July 1, 1990, on all original and all subsequent issues of
39 the certificate for motor vehicles as referenced in subsections 2 and 3 of section 301.020, the
40 director shall print on the face thereof the following designation: "Annual odometer updates
41 may be available from the department of revenue.". On any duplicate certificate, the director
42 of revenue shall reprint on the face thereof the most recent of either:

43 (1) The mileage information included on the face of the immediately prior certificate
44 and the date of purchase or issuance of the immediately prior certificate; or

45 (2) Any other mileage information provided to the director of revenue, and the date
46 the director obtained or recorded that information.

47 4. The certificate of ownership issued by the director of revenue shall be
48 manufactured in a manner to prohibit as nearly as possible the ability to alter, counterfeit,
49 duplicate, or forge such certificate without ready detection. In order to carry out the
50 requirements of this subsection, the director of revenue may contract with a nonprofit
51 scientific or educational institution specializing in the analysis of secure documents to
52 determine the most effective methods of rendering Missouri certificates of ownership
53 nonalterable or noncounterfeitable.

54 5. The fee for each original certificate so issued shall be eight dollars and fifty cents,
55 in addition to the fee for registration of such motor vehicle or trailer. If application for the
56 certificate is not made within thirty days after the vehicle is acquired by the applicant, or
57 where the motor vehicle was acquired under section 301.213 or subsection 5 of section
58 301.210 and the applicant fails to make application within thirty days after receiving title
59 from the dealer, a delinquency penalty fee of twenty-five dollars for the first thirty days of
60 delinquency and twenty-five dollars for each thirty days of delinquency thereafter, not to
61 exceed a total of two hundred dollars, but such penalty may be waived by the director for a
62 good cause shown. If the director of revenue learns that any person has failed to obtain a
63 certificate within thirty days after acquiring a motor vehicle or trailer, or where the motor
64 vehicle was acquired under section 301.213 or subsection 5 of section 301.210 and the
65 applicant fails to make application within thirty days after receiving title from the dealer, or
66 has sold a vehicle without obtaining a certificate, he shall cancel the registration of all
67 vehicles registered in the name of the person, either as sole owner or as a co-owner, and shall
68 notify the person that the cancellation will remain in force until the person pays the
69 delinquency penalty fee provided in this section, together with all fees, charges and payments
70 which the person should have paid in connection with the certificate of ownership and
71 registration of the vehicle. The certificate shall be good for the life of the motor vehicle or
72 trailer so long as the same is owned or held by the original holder of the certificate and shall
73 not have to be renewed annually.

74 6. Any applicant for a certificate of ownership requesting the department of revenue
75 to process an application for a certificate of ownership in an expeditious manner requiring
76 special handling shall pay a fee of five dollars in addition to the regular certificate of
77 ownership fee.

78 7. It is unlawful for any person to operate in this state a motor vehicle or trailer
79 required to be registered under the provisions of the law unless a certificate of ownership has
80 been applied for as provided in this section.

81 8. Before an original Missouri certificate of ownership is issued, an inspection of the
82 vehicle and a verification of vehicle identification numbers shall be made by the Missouri
83 state highway patrol on vehicles for which there is a current title issued by another state if a
84 Missouri salvage certificate of title has been issued for the same vehicle but no prior
85 inspection and verification has been made in this state, except that if such vehicle has been
86 inspected in another state by a law enforcement officer in a manner comparable to the
87 inspection process in this state and the vehicle identification numbers have been so verified,
88 the applicant shall not be liable for the twenty-five dollar inspection fee if such applicant
89 submits proof of inspection and vehicle identification number verification to the director of
90 revenue at the time of the application. The applicant, who has such a title for a vehicle on
91 which no prior inspection and verification have been made, shall pay a fee of twenty-five
92 dollars for such verification and inspection, payable to the director of revenue at the time of
93 the request for the application, which shall be deposited in the state treasury to the credit of
94 the state highways and transportation department fund.

95 9. Each application for an original Missouri certificate of ownership for a vehicle
96 which is classified as a reconstructed motor vehicle, specially constructed motor vehicle, kit
97 vehicle, motor change vehicle, non-USA-std motor vehicle, or other vehicle as required by
98 the director of revenue shall be accompanied by a vehicle examination certificate issued by
99 the Missouri state highway patrol, or other law enforcement agency as authorized by the
100 director of revenue. The vehicle examination shall include a verification of vehicle
101 identification numbers and a determination of the classification of the vehicle. The owner of
102 a vehicle which requires a vehicle examination certificate shall present the vehicle for
103 examination and obtain a completed vehicle examination certificate prior to submitting an
104 application for a certificate of ownership to the director of revenue. Notwithstanding any
105 provision of the law to the contrary, an owner presenting a motor vehicle which has been
106 issued a salvage title and which is ten years of age or older to a vehicle examination described
107 in this subsection in order to obtain a certificate of ownership with the designation prior
108 salvage motor vehicle shall not be required to repair or restore the vehicle to its original
109 appearance in order to pass or complete the vehicle examination. The fee for the vehicle
110 examination application shall be twenty-five dollars and shall be collected by the director of
111 revenue at the time of the request for the application and shall be deposited in the state
112 treasury to the credit of the state highways and transportation department fund. If the vehicle
113 is also to be registered in Missouri, the safety inspection required in chapter 307 and the

114 emissions inspection required under chapter 643 shall be completed and the fees required by
115 section 307.365 and section 643.315 shall be charged to the owner.

116 10. When an application is made for an original Missouri certificate of ownership for
117 a motor vehicle previously registered or titled in a state other than Missouri or as required by
118 section 301.020, it shall be accompanied by a current inspection form certified by a duly
119 authorized official inspection station as described in chapter 307, **except that such**
120 **inspection may be completed by an employee of a licensed new or used motor vehicle**
121 **dealer.** The completed form shall certify that the manufacturer's identification number for
122 the vehicle has been inspected, that it is correctly displayed on the vehicle and shall certify the
123 reading shown on the odometer at the time of inspection. The inspection station **or the**
124 **licensed new or used motor vehicle dealer** shall collect the same fee as authorized in section
125 307.365 for making the inspection, and the fee shall be deposited in the same manner as
126 provided in section 307.365. If the vehicle is also to be registered in Missouri, ~~the safety~~
127 ~~inspection required in chapter 307 and~~ the emissions inspection required under chapter 643
