21 **student who commits one or more listed offenses even if administrators have some**
22 **discretion to modify the consequence on a case-by-case basis.**

23 3. Each **school** district's **and charter school's** antibullying policy shall be founded on
24 the assumption that all students need a safe learning environment. Policies shall treat all
25 students equally and shall not contain specific lists of protected classes of students who are to
26 receive special treatment. Policies may include age-appropriate differences for schools based
27 on the grade levels at the school. Each such policy shall contain a statement of the
28 consequences of bullying.

29 4. Each **school** district's **and charter school's** antibullying policy shall be included in
30 the student handbook and shall require, at a minimum, the following components:

40 **tolerance disciplinary policy;**

41 (4) **A statement relating to pupils who engage in self-defense that the school**
42 **district or charter school administration, when determining disciplinary action for a**
43 **pupil who has committed an act of school violence or exhibited violent behavior, will**
44 **take into account if such act of school violence or violent behavior was committed in self-**
45 **defense as an immediate response to an act of school violence or violent behavior**
46 **committed against such pupil;**

47 (5) A procedure for reporting an act of bullying. The policy shall also include a
48 statement requiring that the **school** district **or charter school** designate an individual at each
49 school **building** in the district **and charter school** to receive reports of incidents of bullying.
50 Such individual shall be a **school** district **or charter school** employee who is teacher level
51 staff or above;

52 ~~[(4)]~~ **(6)** A procedure for prompt investigation of reports of violations and complaints,
53 identifying one or more employees responsible for the investigation including, at a minimum,
54 the following requirements:

56 school principal, or his or her designee, shall initiate an investigation of the incident **and**

66 **the incident. The school district or charter school may develop a standardized form to**
67 **use for such written report;**

68 ~~[(5)]~~ **(7) A procedure for the response to any investigation that finds an act of**
69 **bullying occurred. The policy shall, at a minimum, require notifying the parents of the**
70 **bullying student and, if such bullying meets the elements of harassment in the second**
71 **degree under section 565.091, referral to law enforcement agencies or to the children's**
72 **division rather than law enforcement if the bullying student is under eleven years of age;**

73 **(8) A statement that prohibits reprisal or retaliation against any person who reports an**
74 **act of bullying and the consequence and appropriate remedial action for a person who**
75 **engages in reprisal or retaliation;**

76 ~~[(6)]~~ **(9) A statement of how the policy is to be publicized; and**

77 ~~[(7)]~~ **(10) A process for discussing the district's antibullying policy with students and**

85 (b) The school district **or charter school** shall give annual notice of the policy to
86 students, parents or guardians, and staff;

87 (c) The school district **or charter school** shall provide education and information to
88 students regarding bullying, including information regarding the school district **or charter**

89 **school** policy prohibiting bullying, the harmful effects of bullying, and other applicable
90 initiatives to address bullying, including student peer-to-peer initiatives to provide
91 accountability and policy enforcement for those found to have engaged in bullying,
92 reprisal, or retaliation against any person who reports an act of bullying;

93 (d) The administration of the school district **or charter school** shall instruct its school
94 counselors, school social workers, licensed social workers, mental health professionals, and
95 school psychologists to educate students who are victims of bullying **and students**
96 **committing acts of bullying** on techniques for students to overcome bullying's negative
97 effects. Such techniques shall include, but not be limited to, cultivating the student's self-
98 worth and self-esteem; teaching the student to defend himself or herself assertively and
99 effectively; helping the student develop social skills; or encouraging the student to develop an
100 internal locus of control. The provisions of this paragraph shall not be construed to contradict
101 or limit any other provision of this section; and

102 (e) The administration of the school district **or charter school** shall implement
103 programs and other initiatives to address bullying, to respond to such conduct in a manner
104 that does not stigmatize the victim, and to make resources or referrals available to victims of
105 bullying **and students committing acts of bullying**.

106 5. Notwithstanding any other provision of law to the contrary, any school district **or**
107 **charter school** shall have jurisdiction to prohibit cyberbullying that originates on a school's
108 campus or at a district activity if the electronic communication was made using the school's
109 technological resources, if there is a sufficient nexus to the educational environment, or if the
110 electronic communication was made on the school's campus or at a **school district or charter**
111 **school** activity using the student's own personal technological resources. The school district
112 **or charter school** may discipline any student for such cyberbullying to the greatest extent
113 allowed by law.

114 6. Each **school district and charter school** shall review its antibullying policy and
115 revise it as needed. The **school district's school board or charter school's governing board**
116 shall receive input from school personnel, students, and administrators when reviewing and
117 revising the policy.

118 7. (1) **The administration of each school district and charter school shall report**
119 **to the school board or governing board all acts of bullying, acts of school violence or**
120 **violent behavior, and crimes that occurred in between board meetings and the discipline**
121 **of any pupil who committed such acts. Such report shall be submitted monthly and**
122 **shall be formatted to clearly describe each such incident.**

123 (2) **The school board or governing board shall review such monthly report in a**
124 **closed meeting under chapter 610. Discrepancies in such report shall be resolved within**
125 **thirty days of the review and the board, in conjunction with the school administration,**

126 shall attempt to address and resolve substantiated concerns relating to incidents listed
127 on such report, as concerns are expressed during such monthly review by school
128 administration or school board or governing board members.

129 8. (1) A school district or charter school employee or volunteer may, in the
130 course of fulfilling duties or performing services for such school district or charter
131 school, intervene in an incident involving an act of bullying, act of school violence or
132 violent behavior, or crime committed against a pupil to protect such pupil.

133 (2) Such school district or charter school employee or volunteer shall be held
134 harmless and immune from any liability for actions described in subdivision (1) of this
135 subsection if:

136 (a) In the course of intervening in such incident, such employee or volunteer
137 follows a proper procedure for such interventions adopted by the school board of such
138 school district or the charter school's governing board; or

139 (b) Such employee or volunteer intervenes in good faith and in a manner that
140 such employee or volunteer reasonably believes is afforded the defense of justification
141 under chapter 563.

142 9. (1) A school district or charter school, or an employee of such district or
143 charter school, that in good faith imposes disciplinary action under this section upon a
144 bullying student shall not be civilly liable for such disciplinary action.

145 (2) If a school district or charter school, or an employee of such district or
146 charter school, prevails in an action brought against such school district, charter school,
147 or employee described in subdivision (1) of this subsection, the court shall award court
148 costs and attorney's fees to such prevailing school district, charter school, or employee.

149 10. (1) This section shall not be construed to provide immunity from liability for
150 a school district's or charter school's denial, or the denial by an employee of such
151 district or charter school, of any constitutionally protected right of a student.

152 (2) Subdivision (1) of this subsection shall not be construed to limit any
153 immunities or defenses available under state or federal law to a school district, a charter
154 school, or employees or volunteers of such school district or charter school.

155 11. (1) For the purposes of reporting requirements under section 210.115,
156 incidents of bullying, acts of school violence or violent behavior, or crime may be
157 considered abuse.

158 (2) If two or more employees or volunteers who are required to report jointly
159 have knowledge of a known or suspected instance of child abuse, a single report may be
160 made by the school district's or charter school's designated member. Any individual
161 who has knowledge that the individual designated to report has failed to do so shall
162 thereafter immediately make the report. No provision of this section shall be construed

163 to preclude any person from reporting such abuse and such person shall be afforded the
164 same protections provided under sections 210.135 and 210.145 for reports of abuse in
165 compliance with section 210.115.

166 **12. No charter school shall expel or transfer a student to a school district solely**
167 **due to reports of bullying made against such student.**
