75 noncompliance in a newspaper within the jurisdiction of the election authority or in electronic
76 format. The secretary of state is also authorized to withhold funds from an election authority
77 in violation of this section unless such funding is a federal mandate or part of a federal and
78 state agreement.

79 7. The secretary of state shall have authority to require cyber security testing,
80 including penetration testing, of vendor machines, programs, and systems. Failure to
81 participate in such testing shall result in a revocation of vendor certification. Upon notice

7 members of the news media who present identification satisfactory to the election judges and

9 subdivision (18) of section 115.637, provided that such coverage does not disclose how any
10 voter cast the voter's ballot on any question or candidate [~~or in the case of a primary election~~
11 ~~on which party ballot they voted~~] or does not interfere with the general conduct of the election
12 as determined by the election judges or election authority, and registered voters who are

11 or file a complaint with the elections division of the secretary of state's office under and
12 pursuant to section 115.219.

13 4. If the election judges cannot reach a decision on the identity or qualifications of
14 any person, the question shall be decided by the election authority.

15 5. The election judges or the election authority may require any person whose right to
16 vote is challenged to execute an affidavit affirming his or her qualifications. The election
17 authority shall furnish to the election judges a sufficient number of blank affidavits of
18 qualification, and the election judges shall enter any appropriate information or comments
19 under the title "Remarks" which shall appear at the bottom of the affidavit. All executed
20 affidavits of qualification shall be returned to the election authority with the other election
21 supplies. Any person who makes a false affidavit of qualification shall be guilty of a class
22 one election offense.

23 **6. In the case of any primary election, the election judges shall determine, using**
24 **the voter's registration information, whether the voter's political party affiliation is the**
25 **same as the political party holding the primary election.**

 115.628. 1. **Except as provided in subsection 4 of this section, the governing body**
2 **of any established political party shall adopt a protected primary election system that**

17 **election candidate for the general election ballot.**

18 **4. The state shall pay the costs of implementing and providing notice of the**

22 **primary election is held in August 2028.**

23 ~~[2-]~~ **5. Local election authorities shall notify registered voters of the political party**
24 **affiliation ~~[opportunities]~~ requirements of this section using all current election mailings that**
25 **would otherwise be mailed to registered voters prior to January 1, 2025.**
