AN ACT

To amend chapter 341, RSMo, by adding thereto one new section relating to licensure reciprocity for plumbers.

Be it enacted by the General Assembly of the state of Missouri, as follows:

Section A. Chapter 341, RSMo, is amended by adding thereto one new section, to be
2 known as section 341.240, to read as follows:

**341.240. 1. For purposes of this section, "plumber's license" means any license,
2 certificate, registration, or permit that enables an individual to legally engage in the
3 business of plumbing in a particular jurisdiction after passing a test approved by the
4 division of professional registration within the department of commerce and insurance.**

**5 2. Notwithstanding any other provision of law to the contrary, any political

7 the business of plumbing in the political subdivision shall recognize a valid current

9 purposes and waive its own licensure requirement for the license holder if the license
10 holder successfully passed an examination approved by the division of professional
11 registration in order to obtain the plumber's license from the other political subdivision.**

12 The license holder still shall obtain a business license in the other political subdivision.

**13 3. Reciprocity shall be extended to the holder of a license issued before August
14 28, 2026, if the holder was required to pass a test to obtain the license.**

**15 4. (1) This section shall apply to an individual who is a plumber's apprentice, a
16 journeyman plumber, or a master plumber.**

17 (2) This section shall not be construed to apply to a plumbing foreman.
