72 plates for a period of at least six years.

73       (5) For those commercial motor vehicles and trailers registered pursuant to section

77 obligation to pay the annual registration fee due for the vehicle. The permanent nonexpiring  
78 license plate shall be returned to the highways and transportation commission upon the sale or  
79 disposal of the vehicle by the owner to whom the permanent nonexpiring license plate is

86       (6) Upon the sale or disposal of any vehicle permanently registered under this section,  
87 or upon the termination of a lease of any such vehicle, the permanent nonexpiring plate issued  
88 for such vehicle shall be returned to the highways and transportation commission and shall  
89 not be valid for operation of such vehicle, or the plate may be transferred to a replacement  
90 vehicle when the owner files a supplemental application with the Missouri highways and

92 is permanently registered under this section is sold, wrecked or otherwise disposed of, or the  
93 lease terminated, the registrant shall be given credit for any unused portion of the annual  
94 registration fee when the vehicle is replaced by the purchase or lease of another vehicle  
95 during the registration year.

96       7. The director of revenue and the highways and transportation commission may  
97 prescribe rules and regulations for the effective administration of this section. No rule or

99 it has been promulgated pursuant to the provisions of section 536.024.

100       8. Notwithstanding the provisions of any other law to the contrary, owners of motor  
101 vehicles other than apportioned motor vehicles or commercial motor vehicles licensed in  
102 excess of twenty-four thousand pounds gross weight may apply for special personalized  
103 license plates. Vehicles licensed for twenty-four thousand pounds that display special  
104 personalized license plates shall be subject to the provisions of subsections 1 and 2 of section

105 301.030. On and after August 28, 2016, owners of motor vehicles, other than apportioned  
106 motor vehicles or commercial motor vehicles licensed in excess of twenty-four thousand

112 this chapter. Except as otherwise provided in this section, in addition to all other fees  
113 required by law, applicants for registration of vehicles with license plates that expire during  
114 the period of reissuance, applicants for registration of trailers or semitrailers with license  
115 plates that expire during the period of reissuance and applicants for registration of vehicles  
116 that are to be issued new license plates during the period of reissuance shall pay the cost of  
117 the plates required by this subsection. The additional cost prescribed in this subsection shall  
118 not be charged to persons receiving special license plates issued under section 301.073 or  
119 301.443. Historic motor vehicle license plates registered pursuant to section 301.131 and  
120 specialized license plates are exempt from the provisions of this subsection. Except for new,  
121 replacement, and transfer applications, permanent nonexpiring license plates issued to  
122 commercial motor vehicles and trailers registered under section 301.041 are exempt from the  
123 provisions of this subsection.
