115 record is not eligible for automated expungement.

116 (b) If the circuit court determines a record is not eligible for automated
117 expungement, the court shall notify the office of state courts administrator in writing of
118 its determination within thirty days and shall specify the reasons the court relied upon

124 (9) On a monthly basis, each circuit court shall transmit copies of all orders for
125 expungement that the court issues under this section to the office of state courts
126 administrator.

160 all orders of expungement issued under this section. The portal shall allow users to
161 determine if an order for automated expungement has been granted in an individual's
162 name. The portal shall employ measures to prevent disclosure of any order to anyone
163 other than the individual for whom the order was issued.

164 4. Any court sentencing an individual for a clean slate eligible offense shall notify
165 the individual at the time of sentencing of the date when the individual's conviction may

177 arrest was made, the charge or charges were brought, the trial occurred, or the
178 conviction was entered.

179 7. Nothing in this section precludes an individual from filing a petition for
180 expungement of records under section 610.140 if an individual is eligible for an
181 automated expungement under this section if such an automated expungement has not
182 yet occurred or cannot occur pursuant to the provisions of this section.

183 8. Upon the occurrence of one of the circumstances provided under subdivision
184 (1) or (2) of this subsection, a conviction that was expunged under this section shall be
185 reinstated by the court as provided in this subsection.

186 (1) If it is determined that a conviction was improperly or erroneously expunged
187 because the conviction was not eligible to be expunged under this section, the court shall,
188 on its own motion, reinstate the conviction.

189 (2) Upon a motion by a person owed restitution or on its own motion, the court
190 shall reinstate a conviction that was expunged under this section for which the person
191 whose conviction was expunged was ordered to pay restitution if the court determines
192 that the person has not made a good-faith effort to pay the ordered restitution.

193 9. Upon the entry of an order under section 610.140, or upon the automated
194 expungement of a conviction under this section, the petitioner, for purposes of the law,
195 shall be considered not to have been previously convicted, except for purposes of the

205 **expunged under this section;**

206 **(5) This section shall not relieve any obligation to pay restitution owed to the**

208 **or the authority of any court order with regard to enforcing an order for restitution;**

209 **(6) A conviction, including any records relating to the conviction and any**
210 **records concerning a collateral action, that has been expunged under this section shall**
