AN ACT

To repeal section 301.472, RSMo, and to enact in lieu thereof one new section relating to Kansas City Chiefs special license plates.

Be it enacted by the General Assembly of the state of Missouri, as follows:

Section A. Section 301.472, RSMo, is repealed and one new section enacted in lieu thereof, to be known as section 301.472, to read as follows:

301.472. 1. Any motor vehicle owner may receive special license plates for any motor vehicle the person owns, either solely or jointly, other than an apportioned motor vehicle or a commercial motor vehicle licensed in excess of twenty-four thousand pounds gross weight as prescribed in this section after an annual payment of an emblem-use authorization fee to a professional sports team which has made an agreement pursuant to subsection 5 of this section. For the purposes of this section a "professional sports team" shall mean an organization located in this state franchised by the National Professional Soccer League, the National Football League, the National Basketball Association, the National Hockey League, the International Hockey League, or the American League or the National League of Major League Baseball or a team playing in Major League Soccer.

2. The professional sports team which has made an agreement pursuant to subsection 5 of this section and which receives the emblem-use authorization fee hereby authorizes the use of its official emblem to be affixed on multiyear personalized license plates as provided in this section. Any vehicle owner may annually apply for the use of the emblem. The director of revenue shall not authorize the manufacturer of the material to produce such license plates with the individual seal, logo, or emblem until the department of revenue receives a minimum of one hundred applications for each specific professional sports team.

EXPLANATION — Matter enclosed in bold-faced brackets **[thus]** in the above bill is not enacted and is intended to be omitted from the law. Matter in **bold-face** type in the above bill is proposed language.

18 3. Upon annual application and payment of a thirty-five dollar emblem-use
19 contribution to the professional sports team such team shall issue to the vehicle owner,
20 without further charge, an emblem-use authorization statement, which shall be presented by
21 the owner to the director of the department of revenue at the time of registration of a motor
22 vehicle. Upon presentation of the annual statement and payment of a fifteen dollar fee in
23 addition to the regular registration fees, and presentation of other documents which may be
24 required by law, the director shall issue a personalized license plate, which shall bear the
25 official emblem of the professional sports team in a manner determined by the director. Such
26 license plates shall be made with fully reflective material with a common color scheme and
27 design, shall be clearly visible at night, and shall be aesthetically attractive, as prescribed by
28 section 301.130. A fee for the issuance of personalized license plates issued pursuant to
29 section 301.144 shall not be required for plates issued pursuant to this section.

30 4. A vehicle owner, who was previously issued a plate with a professional sports team
31 emblem authorized by this section but who does not provide an emblem-use authorization
32 statement at a subsequent time of registration, shall be issued a new plate which does not bear
33 the professional sports team emblem, as otherwise provided by law.

34 5. The director of the department of revenue is authorized to make agreements with
35 professional sports teams on behalf of the state which allow the use of any such team's official

37 dollar emblem-use contribution. **Beginning August 28, 2026, any emblem agreement with
38 the Kansas City Chiefs shall terminate and no new license plates shall be issued in the
39 state with the team's official emblem. License plates issued prior to August 28, 2026,
40 shall remain valid until such plates expire or are surrendered by the vehicle owner,
41 except that no emblem-use fees shall be charged or collected by the Kansas City Chiefs
42 after such date.**

51 authority's area, on marketing and promoting such team. The amount of money expended
52 from the funds obtained pursuant to this section by the authority per professional sports team
53 shall be in the same proportion to the total funds available to be expended on such team as the

54 proportion of contributions forwarded by the team to the authority is to the total contributions
55 received by the authority;

56 (2) The regional convention and visitors commission shall hold the revenues received
57 from the professional sports teams in the St. Louis area in separate accounts for each team.
