30 (h) **The commissioner may, by rule, adjust the fees in this section to generate the**
31 **moneys necessary to cover the expenses or costs associated with administering this act.**
32 **A fee increase shall not be made more than one time in any four-year time period and in**
33 **no case shall the total of all fee increases exceed the amount of twenty-five dollars in an**
34 **eight-year time period. In determining whether a fee increase is necessary, the**
35 **commissioner shall consider the following factors:**

36 a. **The cost of administering and enforcing the act, including personnel,**
37 **equipment, and operational expenses;**

38 b. **Inflation and changes in the cost of living, as measured by the Consumer Price**
39 **Index or other appropriate indices;**

40 c. **The adequacy of current fee levels to cover regulatory and oversight**
41 **functions;**

42 d. **The growth or decline in the number of registrations;**

43 e. **Any legislative, legal, or technological changes or emerging risks that increase**
44 **regulatory responsibilities or service levels;**

45 f. **The need to maintain appropriate staffing levels and technical capacity;**

46 g. **Revenue generated from other sources; and**

47 h. **Public interest considerations including, but not limited to, the potential**
48 **impact of a fee increase on individuals subject to the fees in this section.**

49 (i) **The commissioner shall conduct a comprehensive financial review of the**
50 **division's revenue and expenditures every four years, beginning in fiscal year 2030. The**
51 **review shall include an analysis of all sources of funding and expenditures over the**
52 **preceding four fiscal years, a summary of trends in revenues and expenditures of the**
53 **preceding four fiscal years, and an identification of any budget surplus or deficit for**

54 **each year under review. The findings of the review shall be published in a report and**
55 **posted to the division's website within ninety days of completion. If the commissioner, in**
56 **conducting the review, determines a budget surplus exists that is not reasonably**
57 **necessary to meet the anticipated costs of operating the division, the commissioner shall,**
58 **by order, decrease the fees in an amount that ensures that fee revenue more closely**
59 **aligns with the operational needs of the division. In no event shall fees be decreased by**
60 **an amount that would result in the fee being less than the amount established by the**
61 **general assembly under subsections (a) to (f) of this section.**

409.6-601. (a) This act shall be administered by the commissioner of securities who
2 shall be appointed by and act under the direction of the secretary of state, and shall receive
3 compensation as provided by law.

(b) The attorney general shall appear on behalf of and represent the commissioner in
4 all proceedings before the administrative hearing commission, and in the circuit court of any
5 county of the state or any city not within a county, or any court of another state in all civil
6 enforcement actions brought under this act. The attorney general may appoint attorneys
7 employed by the secretary of state as special assistant attorneys general to appear on behalf of
8 and represent the commissioner.
9

(c) It is unlawful for the secretary of state, commissioner or an officer, employee, or
10 designee of the commissioner to use for personal benefit or the benefit of others records or
11 other information obtained by or filed with the commissioner that are not public under section
12 409.6-607(b). This act does not authorize the secretary of state, commissioner or an officer,
13 employee, or designee of the commissioner to disclose the record or information, except in
14 accordance with section 409.6-602, 409.6-607(c), or 409.6-608.
15

(d) This act does not create or diminish a privilege or exemption that exists at
16 common law, by statute or rule, or otherwise.
17

(e) The commissioner may develop and implement investor education initiatives to
18 inform the public about investing in securities, with particular emphasis on the prevention and
19 detection of securities fraud. In developing and implementing these initiatives, the
20 commissioner may collaborate with public and nonprofit organizations with an interest in
21 investor education. The commissioner may accept a grant or donation from a person that is
22 not affiliated with the securities industry or from a nonprofit organization, regardless of
23 whether the organization is affiliated with the securities industry, to develop and implement
24 investor education initiatives. This subsection does not authorize the commissioner to require
25 participation or monetary contributions of a registrant in an investor education program.
26

(f) The "Investor Education and Protection Fund" is created to provide funds for the
27 purposes identified in subsection (e). Notwithstanding the provisions of section 33.080, any
28

29 funds remaining in the secretary of state's investor education and protection fund at the end of
30 any biennium shall not be transferred to the general revenue fund.

31 **(g) The "Securities Division Fund" is created to fund the operation of the**
32 **securities division of the secretary of state's office. All moneys collected to reimburse**
33 **the securities division for the reasonable costs of audits or inspections made under**
34 **section 409.4-411(d) and all moneys collected that are attributable to a fee increase**
35 **implemented by rule under subsection (h) of section 409.4-410 shall be deposited in the**
36 **state treasury to the credit of the securities division fund and shall be appropriated by**
37 **the general assembly only for use by the securities division of the secretary of state's**
38 **office. The fund shall be used for reasonable costs of operating the division. The**
39 **commissioner, in addition to using the fund for expenses related to operating the**
40 **division, may use the fund for the purposes identified in subsection (h) of section 409.4-**
41 **410. Notwithstanding the provisions of section 33.080, any funds remaining in the**
42 **securities division fund shall not be transferred to the general revenue refund.**

43 **(h) A "Restitution Recovery Fund" is created to offer restitution assistance to**
44 **aggrieved investors who were awarded restitution in a final order issued under this act**
45 **but who did not receive payment in full of the amount awarded. The commissioner may**
46 **adopt rules to administer the restitution recovery fund. Restitution assistance may be**
47 **awarded in an amount that is the lesser of twenty-five thousand dollars or twenty-five**
48 **percent of unpaid restitution awarded in the final order. If payment of restitution**
49 **assistance would result in a restitution recovery fund balance below fifty thousand**
50 **dollars, the commissioner may suspend restitution assistance until such time as the**
51 **commissioner determines a sufficient balance has been restored to the fund. If the**
52 **balance of the restitution recovery fund exceeds two hundred and fifty thousand dollars**
53 **at the end of the calendar year, the amount in excess of two hundred and fifty thousand**
54 **dollars shall be transferred to the investor education and protection fund.**
