16 repository of all decisions not to refer such arrests for prosecution. An agency making such  
17 arrests may enter into arrangements with other law enforcement agencies for the purpose of  
18 furnishing without undue delay such fingerprints, photograph, and if available, any other  
19 unique biometric identification collected, charges, appropriate charge codes, and descriptions  
20 to the central repository upon its behalf.

21         3. In order for the Missouri office of prosecution services to maintain complete and  
22 accurate statewide reports as required by section 56.750, on or before January 1, 2028, and

33         4. In instances where an individual less than seventeen years of age and not currently  
34 certified as an adult is taken into custody for an offense which would be a felony if committed  
35 by an adult, the arresting officer shall take fingerprints for the central repository. These  
36 fingerprints shall be taken on fingerprint cards supplied by or approved by the highway patrol

38 compliance with the standards set by the Federal Bureau of Investigation in its Automated

43 the juvenile into custody. The juvenile's fingerprints and other information shall be  
44 forwarded to the central repository and the courts without undue delay. The fingerprint  
45 information from the card shall be captured and stored in the automated fingerprint  
46 identification system operated by the central repository. In the event the fingerprints are

49 section 211.031, in instances where a juvenile over fifteen and one-half years of age is alleged  
50 to have violated a state or municipal traffic ordinance or regulation, which does not constitute  
51 a felony, and the juvenile court does not have jurisdiction, the juvenile shall not be  
52 fingerprinted unless certified as an adult.

53         5. Upon certification of the individual as an adult, the certifying court shall order a  
54 law enforcement agency to immediately fingerprint and photograph the individual and  
55 certification papers will be forwarded to the appropriate law enforcement agency with the  
56 order for fingerprinting. The law enforcement agency shall submit such fingerprints,  
57 photograph, and certification papers to the central repository within fifteen days and shall  
58 furnish the offense cycle number associated with the fingerprints to the prosecuting attorney  
59 or the circuit attorney of a city not within a county and to the clerk of the court ordering the  
60 subject fingerprinted. If the juvenile is acquitted of the crime and is no longer certified as an  
61 adult, the prosecuting attorney shall notify within fifteen days the central repository of the  
62 change of status of the juvenile. Records of a child who has been fingerprinted and  
63 photographed after being taken into custody shall be closed records as provided under section  
64 610.100 if a petition has not been filed within thirty days of the date that the child was taken  
65 into custody; and if a petition for the child has not been filed within one year of the date the  
66 child was taken into custody, any records relating to the child concerning the alleged offense  
67 may be expunged under the procedures in sections 610.122 to 610.126.

68         6. The prosecuting attorney of each county or the circuit attorney of a city not within  
69 a county or the municipal prosecuting attorney shall notify the central repository on standard  
70 forms supplied by the highway patrol or in a manner approved by the highway patrol of his or  
71 her decision to not file a criminal charge on any charge referred to such prosecuting attorney  
72 or circuit attorney for criminal charges. All records forwarded to the central repository and  
73 the courts by prosecutors or circuit attorneys as required by sections 43.500 to 43.530 shall  
74 include the state offense cycle number of the offense, the charge code for the offense, and the  
75 originating agency identifier number of the reporting prosecutor, using such numbers as  
76 assigned by the highway patrol.

77         7. The clerk of the courts of each county or city not within a county or municipal  
78 court clerk shall furnish the central repository, on standard forms supplied by the highway  
79 patrol or in a manner approved by the highway patrol, with a record of all charges filed,  
80 including all those added subsequent to the filing of a criminal court case, amended charges,  
81 and all final dispositions of cases for which the central repository has a record of an arrest or a  
82 record of fingerprints reported pursuant to sections 43.500 to 43.506. Such information shall  
83 include, for each charge:

86 probation, if any, pronounced by the court, nolle pros, discharges, releases and dismissals in  
87 the trial court;

98 of corrections or the department of mental health if the person is committed pursuant to  
99 chapter 552. This information shall be reported to the department of corrections or the  
100 department of mental health at the time of commitment or assignment. If the offender was  
101 already in the custody of the department of corrections or the department of mental health at  
102 the time of such subsequent conviction, the clerk shall furnish notice of such subsequent  
103 conviction to the appropriate department by certified mail, return receipt requested, or in a  
104 manner and format mutually agreed to, within fifteen days of such disposition.

105 9. Information and fingerprints, photograph and if available, any other unique

107 a person at the time of the arrest, may be obtained at any time the subject is in the criminal  
108 justice system or committed to the department of mental health. A law enforcement agency  
109 or the department of corrections may fingerprint, photograph, and capture any other unique  
110 biometric identification of the person unless collecting other unique biometric identification  
111 of the person is not financially feasible for the law enforcement agency, and obtain the  
112 necessary information at any time the subject is in custody. If at the time of any court  
113 appearance, the defendant has not been fingerprinted and photographed for an offense in  
114 which a fingerprint and photograph is required by statute to be collected, maintained, or  
115 disseminated by the central repository, the court shall order a law enforcement agency or  
116 court marshal to fingerprint and photograph immediately the defendant. The order for  
117 fingerprints shall contain the offense, charge code, date of offense, and any other information  
118 necessary to complete the fingerprint card. The law enforcement agency or court marshal  
119 shall submit such fingerprints, photograph, and if available, any other unique biometric  
120 identification collected, to the central repository without undue delay and within thirty days

121 and shall furnish the offense cycle number associated with the fingerprints to the prosecuting  
122 attorney or the circuit attorney of a city not within a county and to the court clerk of the court
