41           **(3) The state from which the administrator shall select the mediator.**

2 **right to mediate or if the date of the notice cannot be established, the insurer shall be**  
3 **notified by the administrator of the existence of the dispute before the administrator**  
4 **processes the insured's request for mediation. An insured must request mediation**

6           **2. The failure to request mediation within this time period shall only bar the**  
7 **right to demand mediation and to seek extracontractual damages under sections 537.058**  
8 **and 537.065. It shall not prejudice any other legal right or remedy of the insured nor**  
9 **shall it prohibit the insurer from voluntarily accepting the request for mediation.**

10           **3. If an insurer receives a request for mediation, the insurer shall electronically**  
11 **transmit the request to the administrator within three business days after receipt of the**

22           **(4) The name of the insurer and the name, address, and phone number of the**  
23 **contact person for scheduling mediation.**

**379.3025. 1. The director may contract with qualified administrators to oversee**  
2 **the mediation program by means of a formal bid process. A qualified administrator**  
3 **may also be selected by the director without a formal bid process if a state of emergency**

4 has been declared pursuant to section 44.100. All bid processes must comply with either  
5 sections 34.040 or 34.045.

6       2. The expenses and fees of the mediator and of the administrator as established

8 shall be borne by the party incurring such costs, fees, or expenses unless otherwise  
9 provided in a settlement agreement.

10       3. The director shall establish fee schedules for monies to be paid directly to the  
11 administrator by the insurer for the services of the administrator, the mediator, and for  
12 timely and untimely mediation cancellations. Fee schedules shall be established through  
13 promulgation of emergency rules to be in effect no later than January 1, 2027. Such  
14 rules establishing fee schedules may be amended as necessary, including as specified by  
15 section 536.025 if a state of emergency has been declared pursuant to section 44.100.

16       4. The director, the administrator, and mediators appointed by the director shall

6 individual or organization provides, under Missouri supreme court rule 17.

      379.3035. 1. The rules adopted by the director shall include a requirement of the  
2 mediator to advise the parties of the mediation process and their rights and duties in the  
3 mediation process.

4       2. A mediator shall terminate the mediation conference if the mediator  
5 determines that either party is unable or unwilling to participate meaningfully in the  
6 process or upon mutual agreement of the parties.

7       3. An insurer's representative attending a mediation conference shall:

8       (1) Bring, in paper or electronic medium, a copy of the policy and the entire

10       (2) Know the facts and circumstances of the claim and be knowledgeable of the  
11 provisions of the policy.

12       4. An insurer shall be deemed to have failed to appear if the insurer's

14       5. The mediator shall be in charge of the mediation conference and shall  
15 establish and describe the procedures to be followed.

16       6. A party may move to disqualify a mediator for good cause prior to the  
17 conference. If the grounds for disqualification are known before the mediation

18 conference, the request to disqualify a mediator shall be directed to the administrator.  
19 For purposes of this section, good cause consists of a conflict of interest between a party  
20 and the mediator, the inability of the mediator to handle the mediation conference  
21 competently, or other reasons that would reasonably be expected to impair the  
22 mediation conference.

379.3040. 1. Within five business days after the conclusion of the mediation  
2 conference, the mediator shall file with the administrator a mediator's status report, on  
3 a form prescribed by the administrator, indicating whether or not the parties reached a  
4 settlement.

5 2. Mediation is nonbinding unless all the parties specifically agree otherwise in  
6 writing.

7 3. If the parties reach a settlement, the mediator shall include a copy of the  
8 settlement agreement with the status report.

9 4. Within five business days after the conclusion of the mediation, if agreed to by  
10 the parties, the insurer shall disburse the settlement funds in accordance with the terms  
11 of the settlement agreement. The insured has three business days after receipt of the  
12 settlement funds within which to notify the director and the insurer of the insured's  
13 decision to rescind the settlement agreement. The rescission shall only be valid if the  
14 insured has not received the settlement funds by electronic means or has not cashed or  
15 deposited any check or draft disbursed to the insured in payment of the settlement  
16 funds.

17 5. If a settlement agreement is reached, and is not rescinded, it shall act as a  
18 release of all specific claims that were presented in the mediation conference. Any  
19 subsequent claim under the policy shall be presented as a separate claim.

379.3042. If the insured decides not to participate in the mediation program or if  
2 the parties are unsuccessful at resolving the claim, the insured may choose to proceed  
3 under the appraisal process set forth in the insurance policy, by litigation, or by any  
4 other dispute resolution procedure available under Missouri law.

379.3045. If the insured rescinds a settlement agreement in accordance with  
2 sections 379.3000 to 379.3055, the director may review the settlement agreement to  
3 determine if the agreement was fair to the parties to the agreement. If the director, after  
4 completing a review and within ten business days after receiving notice of the rescission,  
5 deems that the settlement agreement was fair to the parties, the insured, upon notice  
6 from the director, may withdraw the rescission within five business days after receipt of  
7 the order from the director, and the settlement agreement is reinstated as if no rescission  
8 had taken place. The director's review and findings shall not be offered or accepted as  
9 evidence in any subsequent proceedings brought under sections 379.3000 to 379.3055.

**379.3050. 1. All statements made and documents produced at a mediation conference shall be deemed confidential settlement communications.**

This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2026, shall be invalid and void.**

19           **3. The rules implemented under this section may be amended as necessary,**  
20 **including emergency rules promulgated under section 536.025, if a state of emergency**

47 described in this section continue to be met.

48 11. In addition to the requirements of this section, an insurer may voluntarily  
49 offer any other mitigation adjustment that the insurer deems appropriate.
