

# JOURNAL OF THE HOUSE

Second Regular Session, 103rd General Assembly

NINTH DAY, THURSDAY, JANUARY 22, 2026

The House met pursuant to adjournment.

Speaker Patterson in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

*Lead me in Thy truth and teach me, for Thou are the God of my salvation. (Psalm 25:5)*

O Lord, our Loving God, grant to the members of this body, and all who work with them and for them, a fresh sense of Your presence as we take up the important duties of this day. May we learn to think Your thoughts and to keep our hearts open to our people. We pray that wisdom will come as we make important decisions, charity as we relate ourselves to one another, and courage as we endeavor to do what is right and good for all.

In this moment of morning prayer, breathe on us, O breath of God, fill us with new and abundant life, that we may love what You love and do what You would do, both now and forever.

Finally, protect us from the upcoming wintry blast and grant all warmth, comfort, and safety.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the eighth day was approved as printed by the following vote:

Representative Roberts moved that the House of Representatives third read and adopt the report by the Committee on Ethics, dated January 7, 2026.

HOUSE COMPLAINT NO. 1

HOUSE ETHICS COMPLAINT NO. 25-02

In the Matter of Representative Jeremy Dean

WHEREON, the Committee on Ethics, of the Missouri House of Representatives, 103rd General Assembly, pursuant to Rule 8 of the Ethics Committee Rules of Procedure, reports as follows:

1. On September 8, 2025, the committee was referred a complaint filed by a member of the House of Representatives (Complainant) concerning the conduct of Representative Jeremy Dean (Respondent).
2. The complaint stated that on September 4, 2025, during a meeting of the Elections Committee, Complainant received an unsolicited and inappropriate text message from Respondent. Complainant was a member of the Elections Committee and participated in the hearing. Respondent was watching the hearing live from the House of Representatives chamber.
3. The text message was sent at approximately 7:46 pm during the executive session, and at the time, roll call votes were taking place on House Joint Resolution 3. The substance of the message was vulgar and sexual in nature. Minutes later, Respondent sent a second message after watching Complainant's reaction on the live feed of the committee hearing. Complainant was shocked by these messages, which were unprofessional and disruptive to the legislative process.
4. Respondent filed a response acknowledging that he sent the text messages described in the complaint. Respondent stated that he recognized that the messages were inappropriate and unprofessional, and that he regretted sending them. Respondent denied any intent to disrupt the legislative process, intimidate the Complainant, or improperly influence her participation in the committee hearing. Respondent also submitted a copy of a letter he sent to Complainant apologizing for sending the text messages.
5. The rules of procedure define ethical misconduct to include any conduct constituting a legal or moral wrong that materially impairs the member's ability to perform the duties of his or her office or substantially impairs public confidence in the General Assembly.
6. The definition of sexual harassment, found in the House Policy Handbook, includes unwelcome verbal conduct of a sexual nature that has the purpose or effect of substantially interfering with an individual's work performance or creating an intimidating, hostile, or offensive work environment.

7. On September 10, 2025, the committee held a jurisdictional hearing to consider this complaint. The committee, by a vote of 9-0, determined the complaint was in compliance with the rules and that the matter should proceed to a primary hearing.
8. On October 29, 2025, the committee held a primary hearing and received testimony from both Complainant and Respondent.
9. After consideration of the testimony and other evidence, the committee, by a vote of 10-0, determined that the complaint was well founded, that Respondent has committed unethical conduct, and that pursuant to Rule 8(F), Respondent receive a reprimand with the following conditions, including the denial of certain privileges of office:
  - a. Respondent be removed from any committee assignments for the remainder of the 103rd General Assembly;
  - b. Respondent attend additional training in the subject of preventing sexual harassment in the workplace;
  - c. Respondent refrain from any contact with Complainant and maintain physical separation of at least fifty feet from Complainant;
  - d. Respondent be subject to reassignment of seating on the House floor and garage parking space.
10. The committee's decision and recommended sanctions were promptly communicated to Respondent. Pursuant to the rules, Respondent was given fifteen days to object to the recommended sanction. Respondent did not object to the recommendation; therefore, the committee submits this report and recommendation for consideration by the House of Representatives.

NOW THEREFORE, the Committee on Ethics, having given full consideration to this complaint, including hearing the statement to the committee from Respondent, finds that the complaint filed in this matter is well founded and that Respondent committed ethical misconduct and recommends that the House of Representatives reprimand Respondent, Representative Jeremy Dean, for his conduct set forth herein, with the following conditions, including the denial of certain privileges of office:

- a. That Respondent be removed from any committee assignments for the remainder of the 103rd General Assembly;
- b. That Respondent attend additional training in the subject of preventing sexual harassment in the workplace;
- c. That Respondent refrain from any contact with Complainant and maintain physical separation of at least fifty feet from Complainant; and
- d. That Respondent be subject to reassignment of seating on the House floor and garage parking space.
