

JOURNAL OF THE HOUSE

Second Regular Session, 103rd General Assembly

FORTY-FIRST DAY, Wednesday, March 25, 2026

The House met pursuant to adjournment.

Speaker Patterson in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicky, Chaplain.

By grace you have been saved through faith, and this is not your own doing, it is the gift of God. (Ephesians 2:8)

Almighty and Faithful God, in whom we live and move and have our being, we humbly pray that You guide and govern us by Your Spirit and that in all the procedures of these hours we may never forget that You are with us and strengthen us in the People's House.

Into Your hands we commit our state and all who live, work and study for her, that service may continue to be alive in our thoughts. Strengthen those in danger; comfort those in sorrow; and keep us steadfast in the performance of duty and ever loyal to this wonderful and beautiful state of Missouri, which we love with all our hearts.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was led by Evan Landwehr.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Ellie Brown and Kai Jacobs.

The Journal of the fortieth day was approved as corrected by the following vote:

338.208. Notwithstanding any other provision of law to the contrary, a pharmacist may dispense ivermectin and hydroxychloroquine to a person, without requiring a prescription order from a licensed health care practitioner, upon the approval of a warning label for the use and indication in accordance with any written, standardized procedures or protocols for the pharmacist issued by the board of pharmacy, including, if required, providing the person with instructions on the proper use of ivermectin and hydroxychloroquine.

338.312. 1. As used in this section, unless the context requires otherwise, the following terms mean:

(1) "Declared state disaster or emergency", a disaster or emergency event for which a governor's state of emergency proclamation has been issued or that the President of the United States has declared to be a major disaster or emergency;

(2) "Disaster period", the period of time that begins ten days before a governor's proclamation of a state of emergency or the declaration by the President of the United States of a major disaster or emergency, whichever occurs first, and extending for a period of sixty calendar days following the end of the period specified in the proclamation or declaration or sixty calendar days from the proclamation or declaration if no end is provided. The governor may extend the disaster period as warranted;

(3) "Pharmacy", the same meaning given to the term in section 338.210.

2. Notwithstanding any provision of law to contrary, the board of pharmacy shall have the authority to waive compliance with any Missouri rules and regulations for a licensed pharmacy that is domiciled or headquartered in this state when such pharmacy is dispensing, shipping, or delivering prescription drugs into another state or United States territory that is experiencing a declared state disaster or emergency, provided that:

(1) The pharmacy is a licensed pharmacy in good standing under this chapter and is authorized to ship prescription drugs into the state or territory in question;

(2) The pharmacy is responding to an active declared state disaster or emergency;

(3) The pharmacy complies with all emergency rules and regulations for pharmacies established by the state or territory for the duration of the disaster period;

(4) The pharmacy complies with all applicable federal laws and regulations; and

(5) The waiver applies only to prescription drugs dispensed, shipped, or delivered to residents or health care facilities located within the geographic area specified in the declared state disaster or emergency.

3. The board of pharmacy may promulgate rules to implement the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2026, shall be invalid and void."; and
