

# JOURNAL OF THE HOUSE

Second Regular Session, 103rd General Assembly

FIFTY-THIRD DAY, THURSDAY, APRIL 16, 2026

The House met pursuant to adjournment.

Speaker Patterson in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicky, Chaplain.

*I urge that supplications, prayers, intercessions, and thanksgivings be made for all men. (1 Timothy 2:1)*

Almighty God, Our Heavenly Creator, who is with us now, make us wise in our legislative endeavors as we seek to cultivate justice, peace, and cooperation in the hearts of all citizens.

Make plain Your path. Help us to see it now and then give us courage and humility to walk in it knowing that You are with us.

So then save us from foolish actions or cold fear, which would make futile any activity on our part. May Your Spirit live in us and in so doing lead us to a life together where we may live with dignity, self-respect, and maturity.

Bless our state workers; bless all who support them and their families. May their brave contributions, and ours, be an assistance to all Missourians.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: MaKhai Allen Smith and Milo Leon Smith.

The Journal of the fifty-second day was approved as printed by the following vote:

"160.665. 1. Any school district **or charter school** within the state may designate one or more ~~[elementary or secondary school teachers or administrators]~~ **employees of the district or charter school** as a school protection officer. The responsibilities and duties of a school protection officer are voluntary and shall be in addition to the normal responsibilities and duties of the ~~[teacher or administrator]~~ **employee**. 2. Any person designated by a school district **or charter school** as a school protection officer shall be authorized to carry concealed firearms or a self-defense spray device in any school in the district. A self-defense spray device shall mean any device that is capable of carrying, and that ejects, releases, or emits, a nonlethal solution **or projectile** capable of incapacitating a violent threat. The school protection officer shall not be permitted to allow any firearm or device out of his or her personal control while that firearm or device is on school property. Any school protection officer who violates this subsection may be removed immediately from the classroom and subject to employment termination proceedings.

5. Any person detained by a school protection officer shall be turned over to a school administrator or law enforcement officer as soon as practically possible and shall not be detained by a school protection officer for more than one hour.

6. Any ~~[teacher or administrator of an elementary or secondary school]~~ **employee of a school district or charter school** who seeks to be designated as a school protection officer shall request such designation in writing, and submit it to the superintendent of the school district **or the executive director of the charter school governing board** which employs him or her ~~[as a teacher or administrator]~~. Along with this request, any ~~[teacher or administrator]~~ **employee** seeking to carry a concealed firearm on school property shall also submit proof that he or she has a valid concealed carry endorsement or permit, and all ~~[teachers and administrators]~~ **employees** seeking the designation of school protection officer shall submit a certificate of school protection officer training program completion from a training program approved by the director of the department of public safety which demonstrates that such person has successfully completed the training requirements established by the POST commission under chapter 590 for school protection officers.

7. No school district **or charter school** shall allow a school protection officer to carry a concealed firearm on school property unless the school protection officer has a valid concealed carry endorsement or permit.

The school district **or charter school** shall also within thirty days of the revocation notify the director

of the department of public safety in writing of the revocation of the designation of such person as a school protection officer. A person who has had the designation of school protection officer revoked has no right to appeal the revocation decision.

10. The director of the department of public safety shall maintain a listing of all persons designated by school districts **and charter schools** as school protection officers and shall make this list available to all law enforcement agencies.

11. Before a school district **or charter school** may designate ~~[a teacher or administrator]~~ **an employee** as a school protection officer, the school board **or governing board** shall hold a public hearing on whether to allow such designation. Notice of the hearing shall be published at least fifteen days before the date of the hearing in a newspaper of general circulation within the city or county in which the school district **or charter school** is located. The **school board or governing board** may determine at a closed meeting, as "closed meeting" is defined under section 610.010, whether to authorize the designated school protection officer to carry a concealed firearm or a self-defense spray device.

**12. Each school district and charter school may consider implementing a school protection officer program consistent with the provisions of this section. 3. All school ~~[personnel]~~ **employees** may participate in a simulated active shooter and intruder response drill conducted and led by law enforcement professionals or school safety professionals. Each drill shall include an explanation of its purpose and a safety briefing.

4. All instructors for the program shall be certified by the department of public safety's peace officers standards training commission.

5. School districts and charter schools may consult and collaborate with law enforcement authorities, emergency response agencies, and other organizations and entities trained to deal with active shooters or potentially dangerous or armed intruders.

6.
