

JOURNAL OF THE HOUSE

Second Regular Session, 103rd General Assembly

SEVENTY-FIRST DAY, FRIDAY, MAY 15, 2026

The House met pursuant to adjournment.

Speaker Patterson in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicky, Chaplain.

Be kindly affectioned one to another with brotherly love; in honor preferring one another. (Romans 12:10)

Our Heavenly Creator, as we enter the gate of this last day of session may it be in the joy that we are still working for You and with our fellow representatives on behalf of our beloved constituents and families.

May Your Spirit have total control in our hearts as they are filled with strong mixed emotions, especially for those leaving this chamber. Make us mindful that we are dependent upon each other and that here we learned to live together in the great state of Missouri. Let us become channels of Your peace as we return home. May our summer be blessed.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was led by Charlie Medlin.

The Speaker appointed the following to act as an Honorary Page for the Day, to serve without compensation: Tutt Davy Boggs.

The Journal of the seventieth day was approved as printed by the following vote:

THIRD READING OF SENATE BILLS - INFORMAL

SS SB 913, relating to tax credits, was taken up by Representative Justus.

On motion of Representative Justus, the title of **SS SB 913** was agreed to.

Representative Reed offered **House Amendment No. 1**.

House Amendment No. 1

AMEND Senate Substitute for Senate Bill No. 913, Page 2, Section 135.305, Line 16, by inserting after all of said section and line the following:

- "135.320. 1. This section shall be known and may be cited as the "Missouri Child Tax Credit Act".
2. As used in this section, the following terms mean:
- (1) "Child", an individual who bears a relationship to the qualified taxpayer as a biological child, adopted child, stepchild, foster child, or a descendant of any of the foregoing; or a brother, sister, half-brother, half-sister, stepbrother, stepsister, or a descendant of the foregoing;
 - (2) "Department", the department of revenue;
 - (3) "Qualified child", any child of the qualified taxpayer who:
 - (a) Is properly listed as a dependent of the taxpayer on the taxpayer's federal income tax return;
 - (b) Is under eighteen years of age at the end of the tax year;
 - (c) Did not provide more than half the costs of his or her own support; and
 - (d) Lived with the taxpayer for more than half of the tax year in the state of Missouri;
 - (4) "Qualified taxpayer", any resident individual who:
 - (a) Has a filing status of:
 - a. Single, head of household, or widow(er) and a Missouri adjusted gross income of seventy-five thousand dollars or less; or
 - b. Married filing combined and a combined Missouri adjusted gross income of one hundred fifty thousand dollars or less; and
 - (b) Is subject to the state income tax imposed under chapter 143;
 - (c) Bears a relationship to the qualified child as defined under this section; and
 - (d) Is not a dependent of another individual;
 - (5) "Tax credit", a credit against the tax otherwise due under chapter 143, excluding withholding tax imposed under sections 143.191 to 143.265.
3. For all tax years beginning on or after January 1, 2027, a qualified taxpayer shall be allowed to claim a refundable tax credit against the taxpayer's state tax liability for each qualified child in the following amounts:
- (1) Seven thousand two hundred dollars for each qualified child who is under seven years of age as of the close of the calendar year in which the tax year of the taxpayer begins; or
 - (2) Three thousand six hundred dollars for each qualified child seven years of age or older but under eighteen years of age as of the close of the calendar year in which the tax year of the taxpayer begins.
4. Except in the case of a tax year closed by reason of the death of the qualified taxpayer, no tax credit under this section shall be allowed in the case of a tax year covering a period of less than twelve months.
5. No qualified child shall be claimed for more than one tax credit in the same tax year. If a child may be claimed as a qualified child by two or more taxpayers for a tax year beginning in the same calendar year, the department may adopt rules and regulations addressing such instance and reference the provisions of the Internal Revenue Code of 1986, as amended, or other provisions of the laws of the United States relating to federal income taxes.
6. For a given tax year, a qualified taxpayer shall be allowed to claim a cumulative amount of up to six tax credits under this section.
7. (1) The department shall establish a program for making monthly advance payments to qualified taxpayers. A qualified taxpayer may apply to receive such tax credit in advance of filing the taxpayer's Missouri income tax return using an application or process prescribed by rule or regulation or on the department's website and may elect to receive such credit, upon approval by the department, in the form of advanced equal monthly disbursements. Qualified taxpayers opting for advanced monthly disbursements shall receive:

- (a) Six hundred dollars per month for each qualified child under seven years of age; or
- (b) Three hundred dollars per month for each qualified child seven years of age or older but under eighteen years of age.

(2) If the qualified taxpayer elects not to receive advance payments of the tax credit or did not apply for the advance payments, the qualified taxpayer may claim this tax credit when filing his or her Missouri income tax return.

(3) If a qualified taxpayer applies for advanced payments of the tax credit under this section, any additional amount remaining may be applied against the qualified taxpayer's Missouri income tax return for the tax year against which the credit was claimed.

(4) A qualified taxpayer applying for the advanced payments shall include the qualified taxpayer's reasonably estimated Missouri adjusted gross income and reasonably expected filing status in the form, application, or other documentation established by the department.

8. (1) The department shall begin accepting 2027 tax year advanced payment applications for the tax credit authorized under this section on or before October 1, 2026, and shall allow advanced payment applications for the 2028 tax year through June 30, 2027. For each tax year thereafter, such application period shall begin on or before July first preceding the tax year for which the credit is claimed and end June thirtieth of the tax year for which the credit is claimed, with exceptions for amendments, supplemental information, and other reasons that the department may allow by rule.

(2) The department may begin monthly advanced payments for the 2027 tax year beginning on or after January 1, 2027, or immediately upon approval of the application to each qualified taxpayer claiming a credit under this section each year, whichever is later; and for all tax years thereafter, beginning on or after each January first of the calendar year for which the tax credit is claimed in advance, or immediately upon approval of the application to each qualified taxpayer claiming a credit under this section each year, whichever is later. The advanced payments shall be paid on or before the last day of each month, beginning the first month of the tax year for which the credit is claimed in advance or the month following approval of the application, whichever is later.

(3) The department may modify, during any calendar year, the advanced payment amount with respect to any qualified taxpayer for such calendar year to take into account:

- (a) A Missouri income tax return filed by such taxpayer; and
- (b) Any other information provided by the taxpayer to the department.

(4) In the case of any modification under subdivision (3) of this subsection, the department may adjust the amount of any advanced payment made after the date of such modification to properly take into account the amount by which any advanced payment made before such date was greater than or less than the amount that such payment would have been on the basis of the advanced payment amount as so modified.

(5) Any refunds issued from this tax credit shall be offset against a qualified taxpayer's outstanding state tax liabilities or certain other debts as described under section 143.611 and sections 143.781 to 143.790. The department may promulgate rules addressing excess advance payments, recapture, reconciliation, clerical errors, how to update addresses or banking information, applying for additional qualifying children throughout the year, and any other provisions necessary to effectuate the program under this section.

9. No tax credit shall be allowed under this section to a qualified taxpayer with respect to any qualified child unless the qualified taxpayer includes the name, Social Security number, custody decrees or arrangements if applicable, and any other identification documents for such qualifying child that the department determines to be necessary to be submitted with the application for advanced payment of the tax credit or on the Missouri income tax return for the tax year that the tax credit is claimed.

10. Notwithstanding the provisions of section 32.057 to the contrary, the department or any duly authorized employee or agent shall determine whether any taxpayer filing a report or return with the department who did not apply for the credit authorized under this section may qualify for the credit and, if the department or such authorized employee or agent determines a taxpayer may qualify for the credit, the department or such employee or agent shall notify such taxpayer of his or her potential eligibility. In making a determination of eligibility under this section, the department shall use any appropriate and available data.

11. Notwithstanding any provision of law to the contrary, the refundable tax credit and its payment authorized under this section shall be in addition to any federal child tax credits under 24 U.S.C. Section 26 claimed by the qualified taxpayer, and any amounts of the credit paid to the taxpayer shall not be considered as assets, income, or resources to the same extent the federal credit and its payment would be disregarded under 26 U.S.C. Section 6409, not taxable as state or federal income, and not taken into account as income for the purposes of determining eligibility of an individual for benefits or assistance or the amount or extent of

benefits or assistance under any state program and, to the extent permitted by federal law, under any state program financed in whole or in part with federal funds.

12. No tax credit claimed under this section shall be carried forward to any subsequent tax year. No tax credit claimed under this section shall be assigned, transferred, sold, or otherwise conveyed.

13. Tax credits authorized under this section shall not be subject to the requirements of sections 135.800 to 135.830.

14. The department shall prepare an annual report containing information on the effectiveness and reach of the tax credit and statistical information regarding the tax credits issued under this section for the previous tax year including, but not limited to, the number of taxpayers claiming the tax credit; the number of total credits claimed and credit amount; the average claimant's income; the average credit amount per child and per claimant; the total amount of revenue expended; impact on family economic stability; and recommendations for improvements to the tax credit program. No data shall be disclosed in any form that allows the personal identification of any child or taxpayer to any individual or entity.

15. Beginning with the 2028 calendar year, the department of revenue shall assess the income eligibility thresholds, tax credit amount, monthly advanced payment amounts, and other provisions of the Missouri child tax credit under this section and shall increase such amounts annually for inflation based on the Consumer Price Index for All Urban Consumers for the United States, as reported by the Bureau of Labor Statistics, or its successor index. Modifications to the tax credit under this section shall take effect on January first of each calendar year and shall apply to tax years beginning on or after the effective date of the modifications.

16. Notwithstanding any provision of section 105.1500 to the contrary, any requirement to provide information, documents, or records under this section, and any requirement established by the department to provide information, documents, or records for the purpose of administering and enforcing this section shall be exempt from section 105.1500.

17. The department of revenue shall promulgate all necessary rules and regulations for the administration of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2026, shall be invalid and void.

18. Under section 23.253 of the Missouri sunset act:

(1) The provisions of the new program authorized under this section shall automatically sunset six years after the effective date of this section unless reauthorized by an act of the general assembly;

(2) If such program is reauthorized, the program authorized under this section shall automatically sunset twelve years after the effective date of the reauthorization of this section; and

(3) This section shall terminate on September first of the calendar year immediately following the calendar year in which the provisions authorized under this section are sunset.

19. Notwithstanding the provisions of section 1.140 to the contrary, the provisions of this section shall be nonseverable, and if any provision is for any reason held to be invalid, such decision shall invalidate all of the remaining provisions of this section."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

House Amendment No. 1 was withdrawn.

The Honorable Jon Patterson
Speaker of the House
Missouri House of Representatives

Dear Speaker Patterson,

Re: New Chair and Vice Chair of the Statutory Task Force for Substance Abuse Prevention & Treatment

The Task Force for Substance Abuse Prevention & Treatment held a meeting on Tuesday, May 5th at 9:00 a.m., in which Senator Joe Nicola was elected as the new Chair of the Task Force, and Representative Del Taylor was elected as the new Vice Chair; both newly elected positions took effect immediately.

Please make any necessary adjustments to reflect the new Chair and Vice Chair of the Task Force. If you have any questions regarding this request, please let me know. Thank you.

Very Sincerely,

/s/ John F. Black
State Representative
District 129

The Benediction was given by Representative Dirk Deaton.

Lord, we come before You as this legislative session, and the 103rd General Assembly, draws to a close. We praise You, the Maker of heaven and earth, for the opportunities You have given us to serve and strengthen our beloved Missouri.

Grant us grace and peace for the work left unfinished, and fill our hearts with gratitude for the accomplishments and triumphs we have been a part.

Bless all those who serve and work within this Capitol in the days and months ahead, and grant each of us safety and rest as we travel home.

As Your Word says, deliver us from evil, for Yours is the kingdom and the power and the glory forever. And the House says, "Amen."

ADJOURNMENT

On motion of Representative Riley, the House adjourned until 1:00 p.m., Thursday, May 28, 2026.
