

JOURNAL OF THE HOUSE

VETO SESSION

Second Regular Session, 103rd General Assembly

FIRST DAY, WEDNESDAY, SEPTEMBER 16, 2026

Speaker Patterson in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

Almighty and Eternal God, source of all wisdom, justice, and truth, we lift up the members of this State's House of Representatives as they convene for this veto session.

Lord, place upon these elected officials a spirit of deep discernment, prudence, and humility. Grant them the clarity of mind to evaluate every measure before them with fairness, keeping the true common good of all citizens-especially the most vulnerable-at the heart of their deliberations.

Remove from this chamber any spirit of rancor, ambition, or division. Grant the representatives the courage to stand for their beliefs, the humility to listen to one another with respect, and the wisdom to seek solutions that bring justice, peace, and growth to our wonderful state.

May Your Holy Spirit guide their debate, steady their judgment, and direct their votes. May all that is accomplished here today honor Your divine law and faithfully serve the people who have entrusted them with governance.

We lift up Jordan McConahay and all who struggle with serious health issues. May God heal all.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was led by Malachi McConahay.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Kennedy McConahay and Malachi McConahay.

LETTERS OF RESIGNATION

August 7, 2026

Governor Michael Kehoe
201 West Capitol Avenue
Room 216
Jefferson City, MO 65102

Governor Kehoe,

I am writing to formally tender my resignation as State Representative for the 159th District of Missouri effective Sunday, August 9, 2026, at 11:59 p.m. With my not seeking election this year, and with no more budgets I can pass, the moment has come to dedicate my time and attention to other opportunities.

It has been the honor of a lifetime to serve the constituents of the 159th District for the past eight years while working alongside you and my legislative colleagues for the people of Missouri.

Very Respectfully,

/s/ Dirk Deaton
State Representative
District 159

August 27, 2026

Dear Governor Kehoe,

This letter is notice of resignation from the Missouri House of Representatives effective at 11:59 p.m., August 31, 2026. It has been the honor of my life to serve the constituents of the 99th district. Throughout my eight years in Jefferson City, my office has been responsible for legislation signed into law to limit the use of seclusion of students in our K-12 schools and require public reporting of such incidents. This legislation led to a shocking investigation this year by the Department of Justice into the Special School District of St. Louis who now must cease locking children with disabilities in solitary confinement cells.

Our office also authored legislation, that you signed, that prohibits our school districts from using zero tolerance discipline policies and requires that they now investigate incidents and issue punitive consequences based on the facts. We also wrote a bill that now prohibits banks from seizing money in a child's 529 college savings plan when a family faces bankruptcy. And our legislation prohibiting police from a warrantless search based on the smell of marijuana is now language in the Missouri Constitution. My constituents and I are beyond grateful to my friends on both sides of the aisle over the years who helped me make this, and other ideas, public policy.

Without term limits, I likely would have stayed in this job forever. Knowing, however, that my constitutional expiration date was approaching, I began to explore future employment opportunities. As it turns out I am now preparing to depart to a coastal Democratic oasis where I once lived and that I believe truly embodies "The Spirit of America." Where the government doesn't force women into childbirth against their will, and where gay Americans like me and other members of the LGBT community have equal rights.

Respectfully,

/s/ Ian Mackey
State Representative
District 99

August 27, 2026

The Honorable Mike Kehoe
State Capitol, Room 216
Jefferson City, Missouri 65101

Dear Governor Kehoe:

Pursuant to RSMo. 21.090, I hereby submit my resignation, effective at 11:59 p.m. on August 31, 2026, as state representative for the 29th House District.

It has been the honor of a lifetime to represent the people of Independence in the Missouri House. I am deeply grateful to my constituents for the trust they placed in me and for the opportunity to work alongside my colleagues in service to the people of Missouri.

During my time in the House, I was proud to support efforts to recognize post-traumatic stress disorder as a presumptive occupational condition for Missouri's first responders. I led the renewal of the Line of Duty Compensation Act, ensuring our state continues to stand behind the families of public safety officers who make the ultimate sacrifice. And this year, I was honored to pass legislation expanding the use of Assisted Outpatient Treatment to better serve Missourians living with serious mental illness.

Each of these efforts grew from the same belief that brought me to public service in the first place: government is at its best when it remembers the people behind the policies and uses the power entrusted to it to make their lives better.

I leave the House with enormous gratitude for the people of the 29th District, my colleagues, and the dedicated staff who make this institution work. I am especially grateful to Peter Coyne, my first legislative assistant, who helped me find my footing as a new legislator, and to Cyrus Taylor, who has served our office and the people of the 29th District with incredible dedication and care. Whatever successes I have had in this building belong in no small part to the people who worked alongside me to make them possible.

I leave having learned far more from the people of Independence than I ever taught them. Serving in the Missouri House has been a privilege I will carry with me, and although my time as a member is coming to an end, my commitment to public service and to the people of Missouri certainly is not.

With deep gratitude,

/s/ Aaron Crossley
State Representative
District 29

MESSAGES FROM THE GOVERNOR

June 30, 2026

TO THE SECRETARY OF STATE
OF THE STATE OF MISSOURI
103rd GENERAL ASSEMBLY
SECOND REGULAR SESSION

Herewith I return to you **Conference Committee Substitute for Senate Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 2002** entitled:

AN ACT

To appropriate money for the expenses, grants, refunds, and distributions of the State Board of Education and the Department of Elementary and Secondary Education, and the several divisions and programs thereof, to be expended only as provided in Article IV, Section 28 of the Constitution of Missouri, and to transfer money among certain funds for the period beginning July 1, 2026, and ending June 30, 2027.

Section 2.074

I hereby veto \$50,000 general revenue for a program dedicated to educational enrichment and tutoring in support of science, technology, engineering, and math in Kansas City. According to fiscal forecasts, the trajectory of state-level ongoing spending currently outpaces ongoing revenue collections. A course correction in State finances is not only warranted but will be constitutionally required to achieve a balanced budget in future years and safeguard Missouri's financial security and AAA bond rating moving forward. While this may be a worthwhile project, due to the aforementioned reasons, we must control new spending and cannot prudently justify this expenditure at this time.

From \$100,000 to \$50,000 from General Revenue Fund.
From \$100,000 to \$50,000 in total for the section.

Section 2.084

I hereby veto \$200,000 general revenue for a tutoring literacy program that engages solely men and fathers in St. Louis City. The State funded this project last fiscal year with the intention that it was a one-time investment.

Said section is vetoed in its entirety from \$200,000 to \$0 from General Revenue Fund.
From \$200,000 to \$0 in total for the section.

Section 2.101

I hereby veto \$500,000 general revenue for safe schools programs. According to fiscal forecasts, the trajectory of state-level ongoing spending currently outpaces ongoing revenue collections. A course correction in State finances is not only warranted but will be constitutionally required to achieve a balanced budget in future years and safeguard Missouri's financial security and AAA bond rating moving forward. While this may be a worthwhile project, due to the aforementioned reasons, we must control new spending and cannot prudently justify this expenditure at this time. Additionally, this budget already includes \$519,992 general revenue for safe schools programs.

Said section is vetoed in its entirety from \$500,000 to \$0 from General Revenue Fund.
From \$500,000 to \$0 in total for the section.

Section 2.130

I hereby veto \$752,000 general revenue for a statewide longitudinal data system. This program was previously funded with one-time federal relief funds. It is this Administration's intent to limit any State general revenue pick-ups of programs that were funded with one-time federal relief funds.

From \$752,000 to \$0 from General Revenue Fund.
From \$2,601,907 to \$1,849,907 in total for the section.

Section 2.235

I hereby veto \$1,600,000, including \$800,000 general revenue, for Teacher Recruitment and Retention State Scholarships. The expansion of existing programs and services supported by State funding should be limited as much as possible at this time.

Funds are to be transferred out of the State Treasury to the Teacher Recruitment and Retention State Scholarship Fund.
From \$800,000 to \$0 from General Revenue Fund.

For the Teacher Recruitment and Retention State Scholarship Program.
From \$1,600,000 to \$800,000 from Teacher Recruitment and Retention State Scholarship Fund.
From \$3,200,000 to \$1,600,000 in total for the section.

Section 2.266

I hereby veto \$500,000 general revenue for a workforce diploma program. According to fiscal forecasts, the trajectory of state-level ongoing spending currently outpaces ongoing revenue collections. A course correction in State finances is not only warranted but will be constitutionally required to achieve a balanced budget in future years and safeguard Missouri's financial security and AAA bond rating moving forward. While this may be a worthwhile project, due to the aforementioned reasons, we must control new spending and cannot prudently justify this expenditure at this time. Additionally, this budget already includes \$1,000,000 general revenue for the workforce diploma program.

From \$1,500,000 to \$1,000,000 from General Revenue Fund.
From \$1,500,000 to \$1,000,000 in total for the section.

Section 2.295

I hereby veto \$1 general revenue for parent education services. I also hereby veto the words “and further provided no funds shall be used to provide Parent Education Services for virtual visits;”. Virtual visits provide needed early childhood services supporting families with medically fragile children, families in remote areas, and families with other extenuating circumstances.

From \$23,418,975 to \$23,418,974 from General Revenue Fund.

From \$29,117,175 to \$29,117,174 in total for the section.

Section 2.331

Section 2.347

I hereby veto \$1,000,000 general revenue for a turn-key intervention program educating at-risk middle school students. The expansion of existing programs and services supported by State funding should be limited as much as possible at this time. It is incumbent upon local school districts to prioritize the use of their resources for this type of programming as they deem appropriate and necessary.

Said section is vetoed in its entirety from \$1,000,000 to \$0 from General Revenue Fund.

From \$1,000,000 to \$0 in total for the section.

According to fiscal forecasts, the trajectory of state-level ongoing spending currently outpaces ongoing revenue collections. A course correction in State finances is not only warranted but will be constitutionally required to achieve a balanced budget in future years and safeguard Missouri's financial security and AAA bond rating moving forward. While this may be a worthwhile project, due to the aforementioned reasons, we must control new spending and cannot prudently justify this expenditure at this time. From \$7,718,964 to \$7,480,244 in total for the section.

Section 9.015

I hereby veto \$375,000 general revenue for data integration. According to fiscal forecasts, the trajectory of state-level ongoing spending currently outpaces ongoing revenue collections. A course correction in State finances is not only warranted but will be constitutionally required to achieve a balanced budget in future years and safeguard Missouri's financial security and AAA bond rating moving forward. While this may be a worthwhile project, due to the aforementioned reasons, we must control new spending and cannot prudently justify this expenditure at this time. This will still provide \$375,000 in additional funding.

For a 501(c)(3) nonprofit entity to implement open-source data integration.

From \$750,000 to \$375,000 from General Revenue Fund.

I hereby veto \$400,000 general revenue for a video job interviewing program. According to fiscal forecasts, the trajectory of state-level ongoing spending currently outpaces ongoing revenue collections. A course correction in State finances is not only warranted but will be constitutionally required to achieve a balanced budget in future years and safeguard Missouri's financial security and AAA bond rating moving forward. While this may be a worthwhile project, due to the aforementioned reasons, we must control new spending and cannot prudently justify this expenditure at this time.

For a pilot program to engage a nonprofit agency equipped to provide video job interviewing.

From \$400,000 to \$0 from General Revenue Fund.

From \$4,981,491 to \$4,081,491 in total for the section.

Section 9.016

I hereby veto \$1 general revenue for a program for low-risk offender supervision. The Governor's intent is that this will be the last fiscal year in which this program be funded with General Revenue dollars and the responsibility for this program will be that of the circuit courts that chose to participate in FY 2028.

From \$4,000,000 to \$3,999,999 from General Revenue Fund.

From \$4,000,000 to \$3,999,999 in total for the section.

Section 9.017

I hereby veto \$2,000,000 general revenue for reducing recidivism among offenders with serious substance abuse disorders who are returning to community areas. According to fiscal forecasts, the trajectory of state-level ongoing spending currently outpaces ongoing revenue collections. A course correction in State finances is not only warranted but will be constitutionally required to achieve a balanced budget in future years and safeguard Missouri's financial

security and AAA bond rating moving forward. While this may be a worthwhile project, due to the aforementioned reasons, we must control new spending and cannot prudently justify this expenditure at this time.

Said section is vetoed in its entirety from \$2,000,000 to \$0 from General Revenue Fund.
From \$2,000,000 to \$0 in total for the section.

Section 9.018

I hereby veto \$1,000,000 general revenue for fentanyl and dangerous narcotics testing of wastewater at statewide correctional facilities. The introduction of new programs and services supported by State funding should be limited as much as possible at this time.

Said section is vetoed in its entirety from \$1,000,000 to \$0 from General Revenue Fund.
From \$1,000,000 to \$0 in total for the section.

On June 30, 2026, I approved **Conference Committee Substitute for Senate Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 2009**, except for those items specifically vetoed and not approved.

Said section is vetoed in its entirety from \$500,000 to \$0 from General Revenue Fund.
From \$500,000 to \$0 in total for the section.

Section 10.115

I hereby veto \$3,000,000 Mental Health Reinvestment Fund for Recovery Community Centers. This will still provide \$3,000,000 in additional funding for Recovery Support Services.

From \$4,681,787 to \$1,681,787 from Mental Health Reinvestment Fund.
From \$9,552,527 to \$6,552,527 in total for the section.

Section 10.130

I hereby veto \$435,000 general revenue for Certified Community Behavioral Health Organizations. According to fiscal forecasts, the trajectory of state-level ongoing spending currently outpaces ongoing revenue collections. A course correction in State finances is not only warranted but will be constitutionally required to achieve a balanced budget in future years and safeguard Missouri's financial security and AAA bond rating moving forward. While this may be a worthwhile project, due to the aforementioned reasons, we must control new spending and cannot prudently justify this expenditure at this time. This will still provide \$435,000 in additional funding.

For adult psychiatric services.
From \$30,202,925 to \$29,767,925 from General Revenue Fund.
From \$262,619,827 to \$262,184,827 in total for the section.

Section 10.160

I hereby veto \$1 general revenue for Certified Community Behavioral Health Organizations. I am vetoing one dollar for the reasons set forth below regarding section 10.2005.

For treatment of alcohol and drug abuse for payment of services to Certified Community Behavioral Health Organizations.
From \$25,943,592 to \$25,943,591 from General Revenue Fund.
From \$831,897,607 to \$831,897,606 in total for the section.

Section 10.665

I hereby veto \$300,000 Merchandising Practices Revolving Fund for tobacco addiction prevention. This is not an allowable use of the Merchandising Practices Revolving Fund.

For tobacco addiction prevention.
From \$300,000 to \$0 from Merchandising Practices Revolving Fund.
From \$400,000 to \$100,000 in total for the section.

I hereby veto \$150,000 general revenue for the Elks Mobile Dental Clinic. According to fiscal forecasts, the trajectory of state-level ongoing spending currently outpaces ongoing revenue collections. A course correction in State finances is not only warranted but will be constitutionally required to achieve a balanced budget in future years and safeguard Missouri's financial security and AAA bond rating moving forward. While this may be a worthwhile project, due to the aforementioned reasons, we must control new spending and cannot prudently justify this expenditure at this time.

The Governor's recommended budget already included \$200,000 for this program.

From \$2,717,563 to \$2,567,563 in total for the section.

Section 10.915

From \$28,508,596 to \$25,508,596 from Health Reinvestment Fund.

From \$28,508,596 to \$25,508,596 in total for the section.

Section 10.2005

I hereby veto the words “for outpatient competency restoration services, for which no funds shall be expended in furtherance of rates greater than those”. This language would unintentionally prohibit the Department of Mental Health from implementing provider-specific rates determined under its established prospective payment system. Annual prospective payment system recalculations redistribute available funding among providers based on updated cost reports and do not, by themselves, increase overall program expenditures. This veto preserves the Legislature’s intent to prohibit unauthorized provider rate increases while allowing the department to administer the prospective payment system as authorized.

On June 30, 2026, I approved said **Conference Committee Substitute for Senate Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 2010**, except for those items specifically vetoed and not approved.
