

HB 1648 -- TRANSPORTATION NETWORK COMPANIES

SPONSOR: Overcast

This bill establishes that a transportation network company (TNC) will not be vicariously liable by reason of owning, operating, or maintaining a digital network for any harm arising out of the use of the digital network by a TNC driver if the TNC is not negligent under law and the TNC has otherwise fulfilled all of its legal obligations to the TNC driver.

This bill is similar to HB 1255 (2025) and HB 1970 (2024).
