

HB 1708 -- LICENSE PLATES FOR PERSONS WITH DISABILITIES

SPONSOR: Veit

This bill increases the renewal period for removable windshield disability placards from four years to eight years and requires that the Department of Revenue automatically renew current valid disabled placards for eight years or for the duration that correlates with the disabled person's current physician's statement expiration date, until all permanent disabled placards are on an eight-year renewal cycle.

This bill is similar to HB 127 (2025) and HB 1451 (2024).
