

HB 1781 -- VACANCIES IN THE GENERAL ASSEMBLY

SPONSOR: Voss

This bill modifies provisions for filling vacancies in the General Assembly.

If the Governor receives notice of a vacancy, within seven days the Governor must call an election, held on or before the 18th Tuesday following the issuance of the writ, to fill the vacancy, unless the vacancy occurs within 46 weeks of the end of the term, in which case the governor will have the discretion to call the election.
