

HB 1812 -- MAINTENANCE OF VOTER ROLLS (Nolte)

COMMITTEE OF ORIGIN: Standing Committee on Elections

This bill requires the Department of Health and Senior Services to provide the Secretary of State with a monthly report of death certificates. The Secretary of State will have ten days to notify the relevant election authorities of the deaths of individuals in their jurisdictions. After being notified, the local election authorities will have ten days to remove the names of deceased individuals from the voter rolls.
