

HB 1962 -- LIMITS ON SELLING OR PURCHASING CERTAIN DRUGS

SPONSOR: Peters

Current law prohibits the sale, purchase, or dispensation of ephedrine, phenylpropanolamine, or pseudoephedrine to the same individual in a 12-month period in an amount greater than 43.2 grams. This bill changes that yearly limit to 61.2 grams.

The bill requires, beginning on October 1, 2026, any manufacturer of compounds, mixtures, or preparations specified in the bill to pay monthly fees to the administrator of the real-time electronic pseudoephedrine tracking system. The fee levels are to be set by the administrator.

This bill provides that a manufacturer commits the offense of unlawful sale, distribution, or purchase of over-the-counter methamphetamine precursor drugs if the manufacturer knowingly fails to pay the fees required by the provisions of this bill.

This bill is similar to HB 1036 (2025).
