

HB 2097 -- AGRICULTURAL EDUCATION

SPONSOR: Martin

This bill ends the current pilot program for agriculture education in elementary schools and authorizes that beginning in the 2027-28 school year the program can be implemented by the Department of Elementary and Secondary Education statewide for all elementary schools that elect to participate. The bill removes the requirement for reporting to the House and Senate committees on agriculture and education and requires the report to be posted on the Department's website.

This bill is the similar to HB 1026 and HB 1555 (2025).
