

HB 2135 -- CONCEALED CARRY PERMIT

SPONSOR: Titus

Currently, a county or city sheriff can issue a concealed carry permit to someone at least 19 years of age, or who is at least 18 years of age and a member of the U.S. Armed Services. This bill repeals these provisions, and reduces the minimum age to 18.

Currently, a concealed carry endorsement issued prior to August 28, 2013, must be suspended or revoked if the holder of the endorsement becomes ineligible due to certain state actions taken against the holder. This bill extends such a suspension or revocation to a holder who is at least 18 years of age.

Currently, any person who has knowledge that another person with a concealed carry permit or endorsement is ineligible to hold such a permit or endorsement can file a petition to revoke such person's permit or endorsement. The person filing the revocation petition can check any boxes that apply to the defendant. This bill updates the revocation petition form by:

- (1) Repealing the requirement that the named defendant must be at least 19 years of age;
- (2) Altering the number of years of imprisonment for crimes that the defendant has pled guilty to or been convicted of.
