

HB 2143 -- INCENTIVES FOR INTERSTATE BUSINESS RELOCATION

SPONSOR: Coleman

This bill reinstates provisions of law prohibiting the issuance of incentives under the BUILD program, the new or expanded business facilities program, the Urban Enterprise Loan program, or the Missouri Works program for businesses that relocate from certain counties in Kansas to certain counties in Missouri, contingent on similar action taken by Kansas that expired on August 28, 2025.

The bill also adds a provision that the Department of Economic Development must determine clawback provisions related to tax incentives and funding by the State or any political subdivision as they relate to incentives for certain interstate business relocation.

This bill is similar to SB 630 (2025).
