

HB 2189 -- MOTOR VEHICLE REGISTRATION

SPONSOR: Bromley

Beginning January 1, 2027, the Director of the Department of Revenue will be authorized to issue to owners of motor vehicles with a model year of manufacture less than six years, other than as provided in the bill, the option of a five-year registration period if the fee collected is equal to the annual registration fee plus a pro rata amount for the additional four years of the five-year registration, and presentation of all documentation otherwise required by law for vehicle registration.

The bill repeals the provision of law which requires that vehicles manufactured as an even-numbered model year must be renewed each even-numbered calendar year and that vehicles manufactured as an odd-numbered model year must be renewed each odd-numbered calendar year.

This bill is similar to HCS HB 247 (2025).
