

HB 2210 -- MATCHING GRANTS FOR TEACHER SALARY INCREASES

SPONSOR: Riggs

This bill creates the "Matching Grants for Teachers Plan" and establishes within the State Treasury the "Matching Grants for Teachers Plan Fund". The purpose of the Plan will be to provide a grant match of up to \$1 million for any school district that uses the district's reserves to increase teacher salaries. The bill provides guidance to districts to prevent district reserves from being exhausted and sets forth criteria that must be met in order to qualify for the grant.

This bill is similar to HB 944 (2025) and HCS HB 1810 (2024).
