

HB 2278 -- STATEWIDE ACTIVITIES ASSOCIATIONS

SPONSOR: Cook

This bill requires that any statewide activities association that facilitates interscholastic activities for secondary school students must be overseen by a board of directors appointed by the Governor, by and with the advice and consent of the Senate.

The term of office of each director will be four years, with the initial appointments staggered such that two members will serve terms of two years and three members will serve terms of four years.

The bill defines an "activities association" as a nonprofit statewide organization that facilitates interscholastic activities for secondary school students, and whose members include at least one public school district that pays any fees to the association, including any fees relating to membership in the association or participation in any activities facilitated by the association.

This bill is similar to SB 863 (2026).
