

HB 2614 -- CHILD CARE ASSISTANCE

SPONSOR: Hein

This bill modifies income eligibility criteria for persons receiving state-funded child care assistance to exclude earned and unearned income for applicants who otherwise meet the requirements and who have verified employment of at least 20 hours per week in a regulated child care facility, a licensed child care center, a registered license-exempt child care facility, or a group home.

This bill is similar to HB 933 (2025).
