

HB 2766 -- TAX ON SALE OF BINGO CARDS

SPONSOR: Knight

Currently, a 2% tax on the gross receipts of retail sales is paid on each pull tab card sold in the State. This bill repeals this specific 2% tax.

Currently, a tax is imposed on each organization conducting a game of bingo that annually awards at least \$5,000 and more than \$100 in a single day. The bill also repeals this tax.

This bill is similar to HB 48(2025); and HB 1427(2024).
