

HB 2841 -- STATEWIDE ASSESSMENT SYSTEM

SPONSOR: West

This bill requires that for the 2026-27 school year and all subsequent school years, the State Board of Education will place 20 additional questions on the Missouri Assessment Program test relating to slavery, the Reconstruction era, and Jim Crow laws.

The bill requires that these questions be graded separately to determine a student's knowledge and to measure how well each school district is teaching facts related to such subjects.
