

HB 2893 -- SCHOOL BOARD CANDIDATE FILING

SPONSOR: Reuter

This bill modifies the current process for school board candidate filing for school board elections in school districts located wholly within one county. The bill requires candidates to file at the election authority or county clerk's office of the county in which the candidate resides.

The election authority of the county in which the school district is located will designate the order and process for any drawing of candidate names for the order of the ballot.

This bill is similar to HB 458(2025) and HB 1744 (2024).
