SPONSOR: Schulte

COMMITTEE ACTION: Voted "Do Pass" by the Special Committee on Intergovernmental Affairs by a vote of 13 to 0. Voted "Do Pass" by the Standing Committee on Rules-Administrative by a vote of 11 to 0.

Currently, a firearms safety instructor is considered a qualified firearms safety instructor by a sheriff issuing a concealed carry permit if the instructor meets certain criteria.

This bill provides that a firearms safety instructor may be considered qualified if he or she is certified by the United States Concealed Carry Association (USCCA).

PROPOSERS: Supporters say that USCCA has standards on par with other organizations currently able to certify individuals as a firearms safety instructor.

Testifying in person for the bill was Representative Schulte.

OPPOSERS: There was no opposition voiced to the committee.

Written testimony has been submitted for this bill. The full written testimony and witnesses testifying online can be found under Testimony on the bill page on the House website.
