

HB 3050 -- KANSAS CITY CHIEFS SPECIAL LICENSE PLATES

SPONSOR: Perkins

Currently, for an additional cost of \$35, a vehicle owner can register his or her vehicle and receive a personalized license plate bearing the emblem of the Kansas City Chiefs.

This bill eliminates the emblem agreement with the Chiefs and prohibits new personalized Chiefs license plates. License plates issued prior to August 28, 2026, will remain valid until they expire or are otherwise surrendered normally. No emblem-use fees will be collected by the Chiefs after that date.
