

HB 3116 -- CIVIL JURISPRUDENCE

SPONSOR: Parker

Currently, when a lawsuit is filed against non-resident motorists, there are certain rules to determine which venue is proper to bring such a suit. This bill updates the range of sections under which lawsuits of this nature are brought (Section 506.290, RSMo).

This bill updates current statute to include "or her" in those rather than "his" and makes other technical changes.
