

HB 3137 -- STUDENT VOTERS

SPONSOR: Price

This bill requires that, at least twice during each school year, school districts and charter schools offer students who are at least 17 1/2 years old the opportunity to register to vote.

The first opportunity must occur during school hours on the fourth Tuesday in September. The second opportunity must occur at a later time and must be conducted by the local election authority in whose jurisdiction the school district or charter school is located. The school district or charter school must coordinate with the local election authority to provide the second voter registration activity.

The Secretary of State must prepare materials regarding voter registration to be distributed at each voter registration activity. Each school district and charter school must file a report regarding voter registration activities with the Department of Elementary and Secondary Education by December 31 of each year.

This bill is similar to SB 963 (2026).
