

HB 3140 -- SCHOLARSHIPS FOR DUAL ENROLLMENT COURSES

SPONSOR: Smith (68)

Currently, a dual credit or enrollment scholarship can be awarded to cover tuition and fees associated with enrollment in a dual credit course. This bill adds that the scholarship can be awarded to cover the amount for mileage expenses incurred by attending a dual enrollment course. The bill provides the method by which the amount of mileage reimbursement is calculated.

This bill is similar to HB 1285 (2025).
