

HB 3141 -- SCHOOL ATTENDANCE DATA

SPONSOR: Smith (68)

This bill provides that, beginning in the 2026-27 school year, if a student is suspended, expelled, or unilaterally removed to an interim educational setting for an act of school violence, the student's attendance or enrollment data will not count for the Missouri School Improvement Program for accreditation.

This bill is similar to HB 1220 (2025).
