

HB 3219 -- OPERATION OF A VIDEO LOTTERY TERMINAL

SPONSOR: Van Schoiack

This bill creates a criminal offense for the operation of a video lottery terminal, as that term is defined in the bill, which a person commits if the person owns, rents, or leases video lottery games or terminals. These provisions do not apply to excursion gambling boats licensed by the Missouri Gaming Commission.

The offense of operation of a video lottery terminal is a Class E felony.
