

HB 3325 -- SPECIAL LICENSE PLATES

SPONSOR: Jones (12)

Currently, any motor vehicle owner may receive special license plates bearing an emblem of a professional sports team in specified professional leagues such as the National Basketball Association and Major League Soccer.

This bill allows such special license plates to bear emblems of teams included in the National Women's Soccer League and the Women's National Basketball Association.

The bill creates a new special license plate to commemorate the 250 year anniversary of the Revolutionary War. The Department of Revenue will design the license plate, and it will bear the words "250 YEAR ANNIVERSARY" in place of the words "SHOW-ME STATE" and, at the bottom of the plate, the words "REVOLUTIONARY WAR. The plate will depict a full-color background image of the silhouette of the State, lightened across two-thirds of the area so as not to impede readability.

The plate will require a \$15 fee in addition to the regular registration fee, consistent with other special license plates, and the plates will not be issued for apportioned motor vehicles or commercial motor vehicles in excess of 24,000 pounds.
