

HB 3340 -- USE OF STATE FUNDS FOR CIVIL IMMIGRATION DETENTION

SPONSOR: Ealy

This bill requires a specific appropriation line item before any state agency can expend funds appropriated by the State to:

(1) Lease, build, or retrofit facilities for civil immigration detention; or

(2) Contract to provide ongoing facility operations such as food, medical, or security functions for civil immigration detainees.

The bill does not limit or otherwise interfere with information-sharing requirements under State or Federal law.
