

HB 3341 -- PORT AUTHORITIES

SPONSOR: Ealy

This bill requires the State Auditor to conduct quarterly audits on all port authorities in the State. The bill authorizes residents of port authorities to petition the State Auditor to conduct additional audits at other times.

This bill makes records held by port authorities open records. Port authorities are required to publish, within 10 business days of their creation, certain documents described in the bill. Port authorities must publish any existing documents that meet the designated criteria by January 1, 2027.
