

HB 3449 -- THE APPOINTMENT OF COMMISSIONERS

SPONSOR: Brown

This bill adds the 7th Judicial Circuit in Clay County to the list of circuit courts that can appoint a family court commissioner whose compensation does not have to be reimbursed to the State. This does not authorize the circuit to appoint additional family court commissioners on top of the number in office in the circuit as of January 1, 2027.

This bill is similar to HB 3387 (2026).
