

HB 3453 -- BUDGET OFFICER

SPONSOR: Jones (12)

Currently, the budget officer of a first class county with a population of more than 100,000 inhabitants according to the U.S. Census of 1970 is appointed by the county commission. The budget officer of a first class county with a population of less than 100,000 inhabitants according to the U.S. Census of 1970 is the county auditor.

This bill repeals the reference to the U.S. Census of 1970, allowing current population figures to determine who the budget officer of a first class county is.
