

HJR 149 -- TERM LIMITS FOR THE GENERAL ASSEMBLY

SPONSOR: Murray

Currently, no member of the General Assembly can serve more than eight years total in any one house of the General Assembly, nor more than 16 years total in both houses of the General Assembly.

Upon voter approval, this constitutional amendment would remove the prohibition on a member serving more than eight years total in any one house of the General Assembly and allows each member to serve 16 years total in both houses, beginning December 5, 2030.

This constitutional amendment would also prohibit any member of the General Assembly from serving as Speaker of the House of Representatives for more than three terms and as President Pro Tem of the Senate for more than two terms.

This bill is the same as HJR 67 (2025).
